### Helena Rubinstein discovers NUDIT with Super-Finish

In minutes, Helena Rubinstein solves the most heart-breaking problem of all—hair on the upper lip, cheeks, chin or throat. No longer need you shrink with embarrassment because of facial hair, or weep over painful ineffective "remedies." Apply Nudit for the Face with Super-Finish and minutes later, see baby-smooth, lovelier hair-free skin.

**SAFER**  
New Nudit is the only facial hair remover in the world to give you sensitivity protection afterwards with creamy, effective Super-Finish. This medically formulated beauty cream restores the healthy skin balance to prevent redness, rashing, discomfort.

**EASIER**  
Nudit creams off hair in minutes with surgical safety but feels and smells like the most glamorous face treatment. Just apply, and in a few minutes, rinse off. Now smooth on delicious Super-Finish Cream. It protects against irritations, guards against bacteria, "blends in" newly exposed skin. After a few minutes, tissue off. Your skin is as smooth as bridal satin with no hint of its shadowy past.

**BEAUTIFUL TOMORROW!**  
Never a bristly re-growth, never a coarse look after using Nudit with Super-Finish. And, after using new Nudit for a while, you have to remove fuzz far less frequently than ever before. Use Nudit with Super-Finish today.

**PRETTY PRICE!**  
Nudit is sized for laboratory freshness right down to the end of the tube. The 2-ounce Nudit with Super-Finish is only 2.25. Trial size, 1.50. Plus tax.

**NUDIT SILKS THE LEGS**  
Use regular Nudit to give your legs a glamorous silken finish without a trace of ugly fuzz. This job done with a razor often leads to bloodshed and scars and stubby re-growth. Nudit is speedy, safe—conquers the coarsest hair—leaves skin texture even as gossamer stocking—and the effects last! Be Nudit-confident on the beach. Fragrant, so pleasant to use, and just 1.50 the generous tube.

**NUDIT FOR THE FACE**

For bathing-beauty legs What good are shapely legs if they are not smooth and hair-free? Nudit brings you new confidence.

### THINNING HAIR! THEN FALLING HAIR!

What can you do to save your hair before it's too late?

Thinning hair—falling hair—dull, listless hair. These may be symptoms of hair under-nourishment. But, by massaging PURE SILVIKRIN into the scalp, you can supply your hair roots with the natural protein nourishment they need. For new PURE SILVIKRIN is a solution of the 18 amino acids which go to make up the protein content of your hair. PURE SILVIKRIN can make it possible for your hair to live and grow healthily.
