

### Alan Schwartz Plans Bar Mitzvah Tomorrow

Alan Schwartz, 13, son of Mr. and Mrs. Edward Schwartz of Torrance, will become a Bar Mitzvah during Sabbath services tomorrow night at 8:30 at Temple Menorah, 112 N. Catalina, Redondo Beach.

Schwartz is the grandson of Mr. and Mrs. Sam Levy, of Torrance.

The Bar Mitzvah ceremony recognizes the religious coming-of-age of young men and women who have prepared themselves through study and attendance, in order to be admitted to membership in the Jewish faith.

The service will be conducted by Alan Schwartz for the first time. He will read from the Torah (The Five Books of Moses) in its traditional scroll-form.

In addition, he will speak about the meaning of the passage from the Bible which he will read and translate.

An Oneg Shabbat will be presented to the congregation and guests following the service, in honor of Alan Schwartz, given by his parents.

The ritual of the service will be led by Rabbi Henri E. Front, spiritual leader of the Temple, and by Cantor Harry Newman.

The Temple Menorah choir will be directed by organist, Fay Newman.

### Albert Scott will Marry Canadian Bride

Albert Gordon Scott, son of Mr. and Mrs. Rex Y. Scott, 5203 Steveann St., will wed Miss Marilyn Elliot, daughter of Mrs. Albert Elliot of Belleville, Ont., July 2.

The marriage will take place in Christ Church, Belleville.

The Scotts, originally from England, lived in Brampton, Ont., before moving to Torrance last September.

### Five Named to Director Groups

Five incumbent members of the board of directors will serve for another term. They are W. A. Felker, John Henninger, Rabbi Front, the Rev. Charles Little, and Mary Pagac.

The following persons were elected to serve on the Torrance Red Cross Board: Dr. Matthew Ellenhorn, Gordon Phillips, Dr. Arthur Weber, John Popovich, the Rev. David O. Beadles, James Birmingham, and Harlan P. McCool.

### Healing Is Topic of Scientists

Universal availability of the healing and saving power of the Christ, Truth, will be a theme dealt with in the Sunday lesson-sermon on "Christian Science" in First Church of Christ Scientist, 1750 Manuel Ave.

The account of Christ Jesus' healing of the woman "which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself" (Luke 13) will be included in the Bible readings.

Luke records, "And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity. And he laid his hands on her: and immediately she was made straight, and glorified God" (13:12, 13).

Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy state: "Truth casts out error now as surely as it did nineteen centuries ago. All of Truth is not understood; hence its healing power is not fully demonstrated.

"Only by the illumination of the spiritual sense, can the light of understanding be thrown upon this Science, because Science reverses the evidence before the material senses and furnishes the eternal interpretation of God and man."

### B'nai B'rith Will Consider Charity Projects

Programs being considered by the group include the collection of old clothing for needy persons in the area and volunteer work at the Veteran's Hospital in Long Beach.
