Members of the local Lions greeting the Japanese group included Earl Chambers, Chuck Comstock, Jim Culver, Paul Earick, Al Hieb, Milt Hunter, Dan McLayne, and Sal Perez, and Kenny Uyeda, who acted as interpreter for the group.

## Church Offers Love Keynotes During Sermon

An answer to problems of strife, jealousy, and hate will be set forth in the July 31 lesson-sermon on "Love" in Christian Science churches.

Several inspiring experiences of David highlighting the sermon include Samuel's account of David's sparing of Saul's life (I Sam. 26). This manifestation of love awakened Saul's thought as revealed in his words, "I have sinned; return, my son David" (verse 21).

Affirming the protective power of divine Love, Mary Baker Eddy said in the Christian Science textbook, "Science and Health with Key to the Scriptures," "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil. Clad in the panoply of Love, human hatred cannot reach you. The cement of a higher humanity will unite all interests in the one divinity."

This declaration of Paul to the Romans (13:10) is the Golden Text, "Love worketh no ill to his neighbor: therefore love is the fulfilling of the law."
