YOUR SALARY

How costly a home can you afford to own? A good rule of thumb is to figure that you can afford to buy a home which is twice the value of your annual salary.

DISTINCTIVE CUSTOM DRAPERIES

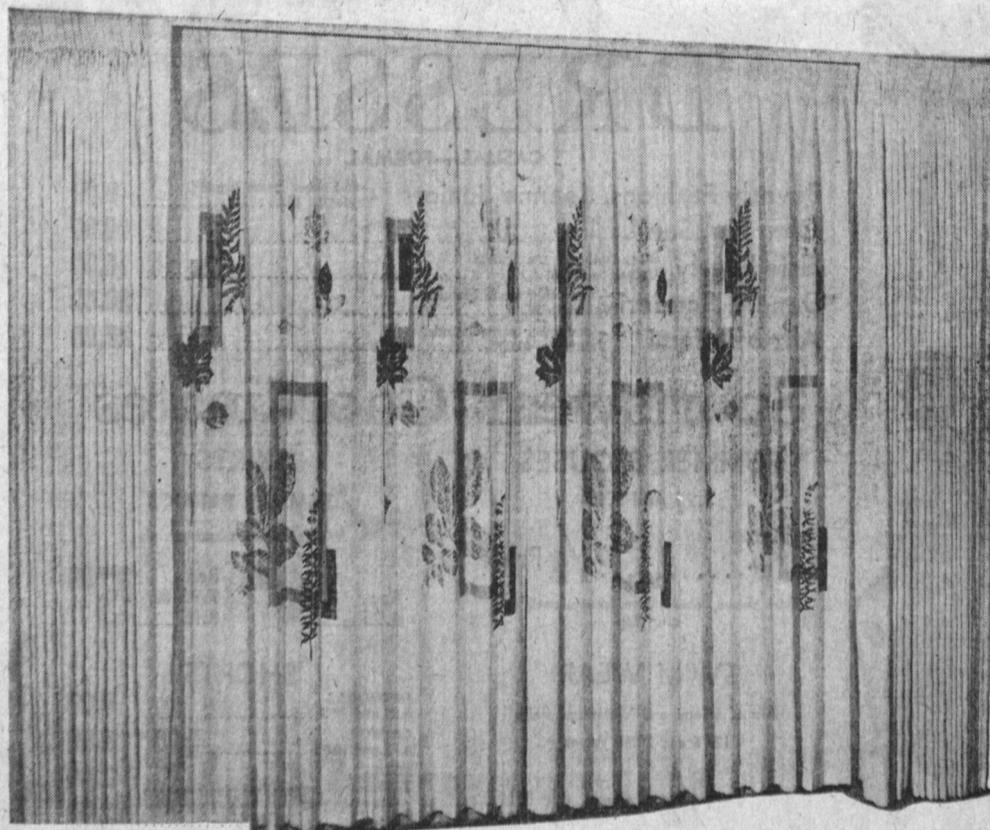

REMEMBERING CAN BE DIFFICULT . . . BUT KNOWING CAN BE A LOT HARDER CHECK US FOR THE ACCURATE AND HONEST FACTS

Many thousands of Torrance and South Bay homeowners have Willbank's Draperies in their homes. There is more than one reason why all these people have selected us to do the drapery jobs in their new homes. Price, of course, is a major consideration.

. . . With the largest shop, best equipment, and largest stock of mill fabrics our bids are consistently lower than smaller competitors . . . But price alone doesn't make a good looking window. It's the quantity and quality of our service . . . one woman has sold another. The quality of our work, the after the sale service, the lower price and better selection has made Willbanks the largest Drapery factory in the entire area.
