Boy Scouts Hike to Mountain Top

Boy Scout Troop 732 just completed its Golden Arrowhead hike in the San Bernardino mountains, it was disclosed by the troop recently.

Boys completing the 68-mile hike were Hike-masters Butch Rosenthal, Bobby McGahn, Mike Collins, Mike Hubbard, Bob Bauman, Richard Henson and Bill Sullivan. Adults were Bob Henson, assistant scoutmaster, and Les Hubbard.

The troop left Saturday, July 23, from Frost Homes at Redlands. It reached Big Bear Lake Monday morning and was met there by Mr. and Mrs. McGahn, Mrs. Bob Henson, Mrs. Bob Collins, Mrs. Leo Hubbard, Virginia Hubbard and Steve Buckaloo, who greeted them with watermelon and root beer.

Later in the evening, the mothers prepared a steak dinner for the hungry scouts.

The hike ended Wednesday at Camp Big Horn. The boys, wearing blistered feet, competed with other troops of the camp, to come in second place.

Pulpit guest of the Rev. Marion Piles, tonight at 7:30 p.m. will be the Rev. Earle McKinley, nationally known youth speaker, who will speak at the Foursquare Church, 254th and Bella Porte.

The Rev. McKinley has just arrived on the West Coast from her headquarters in the East and will be in the Harbor area for only a short time.

There will be special music presented by the young people of the church. The public is invited to attend, the reverend stated.

PAPOOSING—Linda Lenk, 11, gets an assist from her brother, Steven, 9, as they prepare their equipment for a week-long stay at Camp Clafawa near Big Bear Lake under auspices of the Torrance Recreation Department. Nearly 100 youngsters are expected to attend the camp, Aug. 20 through 27.

Resident Attends Anti-Submarine Reserve Exercise

Participating in an anti-submarine exercise with the major Pacific Fleet, Willis Flanagan, 1917 Mansel Ave., just completed two weeks of Naval Air Reserve active duty.

He was stationed at the Naval Air Reserve Station, Seattle, Wash., completing the exercise July 31.

With other members of his squadron, Flanagan participated in the exercise with Canadian forces as well as U. S. Navy surface and air forces, combining their personnel and equipment into an intensive around-the-clock operation to search out and "de-

stroy" U. S. snorkel-type submarines, which posed as an enemy.

The S2F Gruman Tracker aircraft is capable of searching out and destroying enemy submarines.
