WHAT YOU CAN DO ABOUT DANDRUFF, THINNING HAIR, EXCESSIVE FALLING HAIR

A frank statement from the makers of PURE SILVIKRIN

If you have dandruff, thinning hair, excessive falling hair—we strongly urge you to try new Pure Silvikrin.

Pure Silvikrin is actually a solution of 18 of the amino acids that go to make up the protein content of your hair. A scientific solution that can pass right through the film on the surface of the skin, then penetrate into the scalp, so that every drop can do its job efficiently. Regular massaging with Pure Silvikrin can help increase normal circulation and benefit the hair roots. It can condition your hair, help arrest premature hair loss and restore a vibrant, healthier look.

Certain conditions such as hereditary baldness cannot be corrected by any known treatment. In some instances, thinning hair may require treatment by a doctor. But if you have problem hair simply because of neglect—the extra care with Pure Silvikrin is for you.

DOUBLY EFFECTIVE, BECAUSE...

Pure Silvikrin kills dandruff, too. As you massage, its antiseptic Hexachlorophene goes to work to destroy germs that cause flaky, itching dandruff. Goes on working even after massage to keep dandruff away.

START NOW!

Massage daily with Pure Silvikrin. Your hair will feel and look better than ever before. Hair texture will be stronger; your scalp more resilient. You're on the way to creating an environment in which healthy hair can flourish! People all over the world use Pure Silvikrin regularly... can you afford not to try it? Naturally, as a bona fide health treatment, Pure Silvikrin is not inexpensive. A bottle costs \$5 or 14¢ a treatment. You'll feel it's worth every penny or your money back.

NEW CHILDREN SHAMPOO

Mild, gentle Breck Children Shampoo will not sting the eyes like other shampoos. It cleans the hair thoroughly. New Breck Children Shampoo lathers quickly and rinses quickly. It works well in either hard or soft water. Breck Children Shampoo leaves the hair soft, lustrous and easy to manage. Now the entire shampooing session can be a pleasant one for both mother and child.
