Revival Meet to Close

Highway Chapel, 1032 W. Pacific Coast Hwy., Harbor City, announces that the revival campaign with Evangelist Gene Martin at Highway Chapel will close Sunday. The evangelist's wife is featured at the organ each evening. Special music is presented each evening. Sunday night the service will be climaxed with a film "Inside Russia" and the sermon will be The Real Truth About Russia. Rev. and Mrs. Martin extend a cordial invitation to the public to attend these meetings each evening at 7:30 p.m. Rev. Martin announces that this meeting has attracted more interest than any previous campaign and the results have been gratifying.

Have Better Looks ... in One Easy Lesson

If you think that glasses detract from your appearance, take one easy lesson and find out what a simple matter it is to wear plastic contact lenses. We will show you — in just a few minutes and without obligating you in any way — how contacts can give you improved appearance, better vision (15 percent wider field), new zest in social and business life, and more sports fun than you ever had before. Come in soon (no appointment is necessary) or mail the coupon for facts that will suggest why you will want to take that easy lesson without delay. Open Friday evenings and all day Saturdays.

32 years in Harbor area. Easy terms on all optical services. Offices also in Wilmington.

DR. J. M. SOSS, Optometrist
1268 Sartori FA 8-6602

Send illustrated literature on contact lenses.

WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

Here's something new. It's a drive-up phone. And right now it's being tested around the Pacific West to see if folks find it as handy and convenient as we think it is. The idea is to provide curbside phone service so you can call without getting out of your car—a real convenience. It's lighted so you can use it at night as well as during the day. We think you'll find it a faster and easier way to telephone when you're in your car and want to make a call.

There's gold in your telephone. Not very much, to be sure. Gold is used because it just won't rust. And it's put in spots such as dial switch points to insure long, trouble-free service. I suppose you're wondering how much the gold in your phone is worth. The folks at Western Electric who make our phones say there's less than a penny's worth in each. That's hardly enough to tip these scales or go prospecting for, but plenty to help keep your phone dependable.

BE ALERT

With thousands of youngsters back to school again for the fall term, it is an appropriate time to remind drivers to be constantly on the alert for split-second emergencies—particularly near schoolgrounds. Driving slowly and carefully many times is not enough. Even the slowest speed may kill or maim a child, who dashes into the street from behind a parked car. We at Pacific Telephone are particularly proud of what we call "Defensive Driving." In the widely hailed program, all employees must attend a three-day school and pass a test in "defensive driving" before they are allowed to operate a company vehicle. For us, the program has paid high dividends. In the same way, a sudden stop because you were alert and prepared may some day pay priceless dividends both for yourself and for an excited, frightened child.
