

Education Board Grants Students Religion Time

The Board of Education of the Torrance Unified School District has again this year granted the privilege of religious release to those parents who wish their children to have such instruction. Classes will be offered in all the elementary schools.

During the week of Sept. 26 to 30 cards will be distributed by the principal of each school. Parents who wish to enroll children in the religious release classes will return the cards to school. Instruction will begin the first week of October.

Information on the religious groups may be obtained through Father Thomas J. Glynn, FA 8-2776, or Irene Mills, DA 6-3120.

INTO THE BLUE—Ray Biesecker, chairman for the fourth annual "Lucky Seven" air race, sponsored by South Bay Exchange Club, eers at the sky as he readies for flight to Searchlight, Nev. Many Torrance pilots will participate.

College Faculty Nurserymen Offer Pre-Winter Hints

Getting the hobbyist gardener in the swing of things for the coming winter, the California Association of Nurserymen has offered a checklist of pre-winter preparations. They are:

If you're sowing a new lawn this month, rent a rotary tiller to make your job easy and use it to work in manure and other humus at the same time.

Start looking around at other gardens to see which roses have started to look their best again. Mark your favorites for a place in your own garden.

Keep feeding Tuberous Begonias and Fuchsias to prolong their bloom into next month.

Get going with those annuals for winter. A flat full of Calendulas, Cinerarias or Stock will brighten even the darkest days.

Dwarf citrus can be put in now in tubs or in the ground. Ask your nurseryman which varieties have ornamental value in winter.

SALUTE

Airman Richard P. Morphey Jr., son of Mr. and Mrs. Richard P. Morphey, 21811 S. Neptune Ave., Torrance, has successfully completed the first phase of Air Force Training and is now being sent to Lowry AFB, Denver, Colorado for training to be a Photographic Repairman.

In this training, Airman Morphey will learn all phases of photographic repair, and will have the opportunity to work with some of the latest photographic equipment that the Air Force has today, such as all types of aerial and ground cameras, in addition to many different types of Computers, and other allied equipment.

Aviation Cadet William G. Bookout, son of Mr. and Mrs. Freddie G. Bookout, 22531 Susana Ave., Torrance, recently received the silver wings of the Air Force pilot in class graduation ceremonies conducted at Reese Air Force Base, Texas. He also was commissioned as a Second Lieutenant.

The new pilot will attend basic instructor school at Randolph AFB, Texas prior to assuming instructor pilot's duties in Reese's flying training program.

Airman Freddie L. Ford, son of Mr. and Mrs. James L. Ford, 21247 S. Moneta, Torrance, has been selected for Radar and Radio Maintenance Training, after completing the first phase of his Air Force training at Lackland AFB, Texas, according to S/Sgt. Warren R. Franks of the Local Recruiting Office.

HELPING HAND Many ceramic tile dealers are helping their customers finance tile installations in their homes, often through local savings and loan associations or banks. Thus, home owners can have colorful and durable ceramic tile immediately, and pay for it while they enjoy it. Home owners planning a ceramic tile installation, but wondering about financing, can check with their local tile contractor for advice.
