SOUTH BAY BOWLING CENTER TOURNEY SITE

With an eye to increase team entries which will aid Southern California's bid for the 1964 ABC Tournament, South Bay Bowling Center was the unanimous choice for the Southeast District Bowling Association's 26th Annual Tournament which is scheduled for the month of March. The decision was made by the group's Executive Board at their regular September meeting after Gus Franchi, chairman of the Tournament Committee read three bids from the only houses that were interested and able to take care of the event.

SEDBA President Sam Pesusich stated that this was the earliest date the Southeast Tourney site has ever been selected, and urges every sanctioned team to make plans to enter this event. Pesusich added, "This is a must tournament and it is required by ABC that every association hold such an event." City tournaments are held each year to determine the team, doubles, singles and all-events champions. These contests are conducted in a very strict manner. The cost is \$4 per event. Entry blanks will be sent to all league secretaries and also distributed by House Managers and SEDBA Directors.
