Serve a Sparkling Dinner Appetizer

Set a bright mood for dinner with a sparkling refreshing appetizer. Something that will appeal to everyone (and serve as a delicious forerunner of good things to come) is colorful V-8 juice.

This tasty cocktail vegetable juice is a magic blend of juices from 8 garden-fresh vegetables... tomatoes, carrots, beets, parsley, lettuce, spinach, and watercress. V-8 has a livelier flavor than any juice or other mixed juices. It's so good for you... low in calories, but packed full of important minerals and vitamins.

You can serve V-8 hot or cold... plain or fancy... it always hits the spot.

Try some of these suggestions next time you serve V-8:

Top each glass of V-8 with parsley, watercress, cucumber, or lemon slice studded with clove.

Balance wedges of lemon or lime on rim of glass. Add a stick of celery, carrot, or green pepper.

To go along with the juice here are some ideas: Poke colored toothpicks through alternate cubes of cheese and stuffed olives.

Spread softened cheese on crackers and sprinkle with chopped nuts or parsley.

Pass an assortment of potato or corn chips and pretzels.
