# INVENTORY CLEARANCE

## NOW IN GAS! NOW NO-FROST!

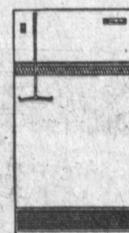

**No defrosting ever**—in freezer or refrigerator! No frost builds up because all frost-gathering coils are located outside the food storage area.

**13 cubic feet big**—holds 92.4 pounds in the freezer alone. Big bushel-size humidity-retaining crispers. Extra shelves in the door.

**New Jet-Cold\* Shelf** chills foods faster. Unique channels rush the cold to drinks, salads, desserts. \*T.M.

**True built-in styling**—no coils on back, no protruding hinges; fits flat against walls and cabinets.

### Guaranteed \$100 trade!

Any old refrigerator in reasonable working condition is worth \$100 now. More recent models get a far, far bigger trade-in allowance on this gas refrigerator!

### FREE INSTALLATION

**NO FROST IN THE FREEZER!**

No frost builds up because all frost-gathering coils are located outside the food storage compartment.

**NO FROST IN THE REFRIGERATOR!**

**NOW PRICED TO CLEAR DURING THE HUGE INVENTORY SALE**

Now a truly modern gas refrigerator with all the most-wanted features! 13 cubic feet big—holds more than 92 pounds in the separate "zero-degree" freezer. New Activated-Cold System keeps food fresher-tasting. New Foamed Insulation gives better cold with thinner walls. Slim, trim, looks built-in. Amazingly economical to operate!

**10-YEAR WARRANTY** on sealed refrigeration unit!
