

Students Set to Run City Next Tuesday

Michael Mott, student at Bishop Montgomery High School, has been selected to preside Oct. 11, as student mayor of the fourth annual Junior Citizens Day. Mayor Isen announced today.

Michael is the son of Mr. and Mrs. J. D. Mott of 2845 Orrado, Torrance.

Junior Citizens Day is sponsored annually by the mayor and City Council of the City of Torrance. Students from Torrance's four high schools act as city officials during the day and participate in the regular City Council meetings held at 8 p.m. to learn local government through observation and experience of the operation.

A dinner and program honoring the students will be held at 5:30 p.m. at South High School. Principal speaker for the event will be Councilman Harold Henry of Los Angeles. Entertainment will be provided by students from the four high schools.

Mayor Isen has announced that parents and interested members of the public are encouraged to attend the City Council meeting starting at 8 p.m., Oct. 11, to witness these young people handle the regular council agenda for the night.

Previous student mayors of Junior Citizens Day have been Roberta Rogan of Torrance High, 1957; Pat Reynolds of North High, 1958; and Jim Hawkins of South High, 1959.

CLOGGING CAUSE
One of the causes of drain clogging is the rough inside surface of some piping. Use of copper tube for drainage systems reduces the chance of clogging because of the smooth, rust-free inside surface of the tube.
