Warrior Homecoming to Open on Campus Nov. 7

Plans for the 1960 El Camino College Homecoming scheduled for the week of Nov. 7, are now being laid under the co-chairmanship of students Bob Barker, and Patricia Stevers.

Floats following the theme of "Pop Tunes," will be constructed and entered for exhibition in the annual parade Nov. 12, when East Los Angeles JC and El Camino meet in Murdock Stadium. Jim Peach, heading the floats committee, will check all entries to establish conformity in size and materials used in construction. The parade of floats will start its circle around the field at 1 p.m.

Judges for the event are being nominated by members of the Inter-Club Council and Rick Roelen, freshman class president. Rallies will be presented Nov. 10 and 11 to encourage enthusiastic participation. Students will appear on campus in sportswear on Thursday of Homecoming week as a part of their participation in the annual Warrior Day.

Under the direction of Marci Krane, Torrance, a snake dance around campus, and sports events will begin at 3 p.m., Thursday. Rosalie Murray, commissioner of publications, and Nancy Wilkie, commissioner of public relations, will handle campus publicity pertaining to Homecoming Week. They are residents of Torrance and Inglewood, respectively.

Medau Rhythm Instruction Set

Balls, hoops and Indian clubs play a major role in an "imported" rhythms course to be offered for the first time this semester by Los Angeles State College.

Miss Henrietta Martin, Hamilton M. Maddaford, and William H. Davies are faculty advisors for Homecoming activities.

"Continental Medau Rythms," offered by the State College Physical Education Division for elementary and secondary school teachers, will be conducted from 5-7 p.m. each Tuesday for eight weeks. Meeting will be held in Room 214 of the Physical Education Building. The class begins Oct. 18.
