Women and men interested in enrolling in February's new vocational nursing program at Harbor College and Harbor General Hospital should telephone the college for an appointment to take the regular entrance examinations, according to an announcement by Roberta J. Lindberg, program head. "The need for vocational nurses has never been greater than it is today," she said. The examinations will be given Tuesday, Nov. 15, at 6 p.m.; Saturday, Dec. 3, at 9 p.m.; Monday, Dec. 12, at 6 p.m.; and Thursday, Jan. 5, at 6 p.m. "Our highly successful vocational nursing program has recently been improved and upgraded," Miss Lindberg explained. Admission standards have been made more severe, and the February class, to be formed by January 15, will be made up of only the top thir-
