South High School Students Adopt 12-Year-Old Korean Sixth Grader

The entire student body of South High School has adopted a child.

The youngster, 12-year-old Kim Jae Sun, a Korean 6th grader, will be supported by the \$15 that local students have promised to send each month.

"Adoption" was arranged through the Foster Parents' Plan, which has rehabilitated more than 76,000 children on a personal basis since its founding in 1937. The organization is now helping more than 19,000 youngsters in Greece, Italy, South Korea,

PEG-BOARD PANELS

Pre-decorated peg-board panels, available in many colors and patterns, are convenient for hanging shelves to hold dishes, utensils, cookbooks, condiments, and other items such as to have close at hand.

Another advantage is that pegboard panels can be sponged clean with soap or detergent suds.

ents' organization reported the youth is bright and lively. He is a diligent student now in the sixth grade of primary school. He excels in athletics and is very popular among his fellow students.

TOYS FOR TOTS - Pfc. Robert Brumfield of Torrance gets a donation for "Toys for Tots" and a pretty smile from 18 year old Charlotte Parker, a North Hollywood fashion model. Pfc. Brumfield is a member of the 5th Communications Co., local Marine Corps Reserve unit which is sponsoring the drive. Toys will be given to children of needy families at Christmas time.

Marine Reserve's "Toys for Tots" Drive December 1

Marine Corps Reserve units in this area will launch their 12th annual Christmas "Toys for Tots" campaign here on December 1, 1960. The program, which began in Los Angeles in 1948, now provides toys for needy children across the entire country.

In this worthy drive, local Marine reservists of the 5th Communications Company are inviting participation by any and all interested individuals and organizations. Capt. R. R. Crittendon, information officer, stated that "any group is welcome to help collect and distribute toys. Just call us at TEminal 2-0869 and let us know."

QUARTERLY DIVIDEND

The board of directors of Northrop Corporation this week declared a quarterly dividend of 40 cents per share, payable December 17 to shareholders of record, December 2.

SEAL DOES TWO JOBS

Magnetic door seals on new electric refrigerator-freezers serve a double purpose: they provide a tight seal that keeps cold air in and warm air out, and they add a safety factor, opening easily from the inside as well as from the outside.

to allow time for distribution before Christmas.
