

**Survey Decision**

Horace W. Brower, president of All-Year Club, reported results of a survey to find out which member of the family decides most of the tourist vacation trips to Southern California.

You've already guessed the answer. The woman, of course.

But she doesn't have as wide a margin as you'd expect. Of 100 trips, 35 were

made at the suggestion of the woman. Pop was sort of a secondary powerhouse, with 33. Nine were point decisions. The kids were a factor only three times. The rest were for a variety of reasons.

The All-Year Club, community tourist advertising organization, made the survey of a sample of Summer visitors among the 4,747,000 who came here and spent over \$715 million during the past travel year.

VALERIE SIMES  
Narbonne HS Correspondent

Carl Terzian, internationally respected goodwill ambassador and youth spokesman, addressed Narbonne's chapter of the California Scholarship Federation last Tuesday in the multi-purpose room during third period.

Former student body president at the University of Southern California, Terzian was honored by the Los Angeles City Council in 1958, at the age of 23 as "one of our nation's future greats." Because of his outstanding record of leadership and scholarship in high school and at SC, Terzian was invited by the U.S. State Department to travel 40,000 miles throughout Australia, Southeast Asia, parts of the Middle East and Europe, explaining the American way of life to millions.

With his rare background as a scholar, leader and world traveler, plus his youthful outlook, Carl Terzian has a fresh insight into the problems of contemporary society. "Look, Mom, I'm a Scholar" was the topic of his speech Nov. 29, which will center around the role youth plays in our changing world.

spirit of giving will be put into practice starting Dec. 5 in Narbonne's annual Christmas Basket Drive which is sponsored by the Key Club. All homerooms participate in this two-week drive in which they gather food, toys and clothing for needy families in the Lomita-Harbor City area. These commodities, one gathered, are decoratively boxed in a Christmasy manner.

Dec. 16 each homeroom will place its "basket" in the multi-purpose room to be displayed and judged, with first, second and third prizes going to the winning homerooms. Key Clubbers will distribute the baskets that afternoon.

Senior A's and their mothers will attend a tea to be held in their honor this Thursday between 1 and 3 p.m. Refreshments will be served in the multi-purpose room after several dramatic presentations and modern dance interpretations are performed on stage by talented A12's.
