

LET'S GO BOWLING

With Darlene Cope

The Christmas spirit is more and more in the air. The beloved nursery supervisor, Violet Howard, at Gable House has decorated the play room in yuletide fashion. From the minute the children walk through the snow scene decorated door, they see crape paper, bells, Santa Claus reindeer pictures, tinsel, and a Christmas tree. Maybe the mothers can talk Santa, himself, into visiting the nursery one day soon.

Now to the Gable House bowling news. Weekly high scores were pegged by Pete Brannon, 256, John Bell (Newberry), 252, Gary Rehberg, 268, B. Grammer, 253, Roy Lloyd (Norair 825), 257, Dave Lantz, 253, Adie Meitner (Gable Owls), 200, and L. Page, 225. Junior high scores were rolled by Pat O'Rourke, 230, Denny Nicholson, 209, Allen Emery, 200, Dick Tibben, 202, Tom Ferguson, 226, and Dave Matosky, 226.

Reva Tulette of the Tuesday Toots scored an 80 tripartite series.

There are a few splits worth mentioning this week. Lodene Gilmore (Gable Perchers League) spared the 7-9, George Glaze (Don Wilson), 8-10, Grace Trier (Tuesday Toots No. 2), 8-10, Capt. R. B. Hotherwell, 8-10, and last but not least Shirley Wolpert the Railroad 7-10.

I would suggest to anyone who isn't on Gable's mailing list to get on it soon. When Christmas greetings are sent out, there will be included a ticket for a free line of bowling and a free buffet dinner. Consult "Jolly Jock" Frybaum at the front desk for additional information.

There were no prize winners last Saturday night at the Moonlight Bowl, so this week the prize will be \$50 in cash. Come over at the witching midnight hour and see the crazy dancing pins for yourself and try to win that cash prize before Christmas. Wouldn't this extra cash come in handy at this time of the season?

The Thursday night 850 scratch league had a good high series last week. Lee Wickersham of team 1, shot a 637 series and had a high game of 241.

Ladies, don't miss the spare pick-up class today at 1 o'clock. Either Norm Belt or Arny Sherrill (maybe both) will conduct this class. See you then.

CAMELIAS

Camellias will greet one with color in the neighborhood nursery. Their variety is great and always pleasing. Buying them in bloom not only gives quick color, it offers the chance to pick varieties.

8,415 AUTOMOBILES

A record total of 8,415 automobiles were loaned by dealers to high schools in the U.S. during the 1959-60 school year for use in driver training programs, reports the Automobile Club of Southern California.

San Pedro Girls Take VB League in Torrance

Excellent teamwork, determination and rigid practice combined to win the Archdiocesan championship in CYO-Catholic Girls High School League volleyball competitions for Mary Star of the Sea High of San Pedro.

Coached by Dorothy Tatreau, Mary Star took two straight games, 15-10 and 15-13, from St. Mary Academy in the finals at Bishop Montgomery High, Torrance.

The team, co-captained by Stephanie Whalen and Donna Pecarich, won eight straight meets during the season and playoffs. Misses Whalen, Pecarich and Shirley Mason were voted the outstanding players.

St. Mary, coached by Marlene Davis and captained by Cathy Delmas, won all league and semi-final games playing together as one unit.

Other division champions participating in the playoffs were Marymount, Los Angeles; San Gabriel Mission, San Gabriel, and Providence Burbank.

Twenty four Catholic high schools were represented in five divisions—Central, Eastern, Southern, Valley East and Valley West. Each team had a schedule of five games during league play.

New Building Planned by Great Western

Great Western Savings and Loan Association has purchased a three-acre tract on the northwest corner of Rosecrans Blvd. and Purche Ave., Gardena, on which they will erect a new and completely modern office, according to an announcement made by Emil Seliga, executive vice president of the financial institution.

The purchase was negotiated through the realty firm, Jonas, Goodlick Associates represented by Stuart Klabin.

Great Western, fourth largest savings and loan association in Southern California, tentatively plans to start building on the new location in Gardena early in June, 1961, Seliga said. They presently maintain an office in

Christmas Tree Lot for Athletic Funds Staffed by Booster Club

Padre Club of Fermin Lasuen High School will sponsor a Christmas Tree lot on the campus at 2100 South Western Ave. San Pedro daily through December 23 it was announced today by Paul Sturdivant, president. "Our football team took the California League championship," he said, "and our men's organization wants to show these young athletes that we're supporting them. Proceeds from the sale of Christmas trees will be used to purchase equipment for the expanded sports program at Fermin Lasuen."

Christmas Tree lot project will also be expanded this year according to John Maloney, chairman who added that scheduled deliveries will insure a constant supply of fresh trees at all times. Traditional greens as well as white and colored varieties will be offered. A wide selection of sizes, types, and prices will be available for either home or institutional use.

Assistants Robert McCarthy and Nick Randazzo noted that the lot, to be staffed by Padre Club members and Las Damas de Lasuen, will be open from 10 a.m. to 10 p.m. daily until Christmas eve. Ample parking facilities and easy accessibility make the school location ideal for Christmas tree shopping, they added.
