TORRANCE HIGH SCHOOL PTA will hold a "College and Vocational Advancement Night" in the Torrance High School Auditorium at 7:30 p.m., Tuesday, according to Mrs. Paul Roberts, president of the association, and Dr. Carl R. Ahee, principal.

Parents of students of North, South, and Torrance High School, as well as other interested parents have been invited to attend, said Mrs. Roberts.

A general meeting in the auditorium will be followed by three half-hour sessions conducted by a representative from each college or school.

Representatives will explain the advantages of attendance at the school they represent.

First hand knowledge of the school or type of school in which their child is interested may be obtained by parents who attend this meeting.

Refreshments will be served in the cafeteria following the session.

FLOWERING QUINCE

Plant flowering quince for some delightful early color. A hedge of quince makes a thorny and impassable boundary.

SALVATION ARMY AIDED—The Salvation Army received some holiday cheer recently, as cafeteria employees of Torrance Schools presented a candle full of money to Capt.

Hope Guernsey (second from right). Making the presentation are Cafeteria Super visor John F. Blandy; Mrs. Lucille Crawshaw and Mrs. Eleanor Sanders, both of South High.

CONVERT RANCH HOUSE

Two-family conversion is possible in many ranch houses, Anaconda home specialists report. Use of copper drainage for plumbing allows maximum use of space in rental unit by eliminating need for extra-wide plumbing walls.

American Bridge League Local Unit Is Organized

Bridge players in this area have been given permission by the American Contract Bridge League to organize a separate unit to be known as the Torrance Area Unit of the American Contract Bridge League. Communities assigned to the new unit include Tor-

SCOUT TROOP 996

Even with the loss of Scoutmaster Don Morgan who had to leave the troop for business reasons, the troop has not had to suffer. It was fortunate in having as its Assistant Scoutmaster Eagle Scout Jack Wheeler who has taken over Scoutmaster. Wheeler who has more than 50 Merit Badges to his credit makes an ideal leader and is well liked by the boys.

The troop has planned a fun trip to the snow for the month of January where Wheeler will be in complete charge with the aid of Assistant Scoutmaster Bud Cramer, and we hope some of the fathers from the troop.

So far the troop has had little luck in having the dads help out, but we are hoping that they will find time to give a little help to the aid of their sons, and make the troop the best troop in the area.
