

Meats Are Better At Your Fabulous Food Giant Market

Because Food Giant's "Extra Value Trim" puts more edible meat on your table. All excess bones, fat and waste have been removed before your meat has been weighed and packaged. We invite you to subject our meat to your most critical examination. Compare it by whatever standards you choose. We know it will mea-

sure up to your expectations. As for quality, all Food Giant meat is U.S.D.A. government graded "CHOICE" . . . or our own "Banquet Perfect." You get the finest. Along with this, you get our "Double Money" guarantee. You must be satisfied or we, without doubletalk, will refund your purchase price. And don't forget the taste! It's absolutely terrific.
