'Love of God' Is Christian Science Lesson Subject

How true health and harmony are established will be brought out in the Lesson-Sermon entitled "Life" in all Christian Science churches Sunday.

The theme emphasized in the sermon is keynoted in this statement from Deuteronomy (5:33), "Ye shall walk in all the ways which the Lord your God hath commanded you, that ye may live, and that it may be well with you, and that ye may prolong your days in the land which ye shall possess."

Mary Baker Eddy asserts in "Science and Health with Key to the Scriptures," "Our proportionate admission of the claims of good or of evil determines the harmony of our existence,—our health, our longevity, and our Christianity."

Again she says, "Let us feel the divine energy of Spirit, bringing us into newness of life and recognizing no mortal nor material power as able to destroy. Let us rejoice that we are subject to the divine powers that be." Such is the true Science of being." (pp. 167, 249).

The Golden Text is from I John (5:11), "This is the record, that God hath given to us eternal life, and this life is in his Son."

A Message to Note

Read Romans 8:35-39

He healeth the broken in heart, and bindeth up their wounds. (Psalm 147:3).

Years ago a marvelously skilful craftsman worked in a tiny shop in one of our cities. He specialized in the restoration of what appeared to be hopelessly broken brought a ruined vase, a shattered, shattered glass to him, there was no hope it was entrusted to his care!

With loving, patient care, he would slowly fit together the fragments. By his clever skill, the broken thing would be made whole again. Years of the most patient, careful, persistent toil had gone into the mastery of his skill. No other possessed it; it was this man's alone!

The comfort of God is like that! It is God's skill, and no human has ever acquired it—and never will! So long as our broken and sinful lives are left in our hands, they remain broken. Only by placing them in God's hands can they be restored.

THOUGHT FOR THE DAY The secret of having God's comfort is in placing things in His hands.

Lecture Series Continues At Church of Christ

Continuing through its fifth day, the Redondo Beach Church of Christ Annual Bible Lectureship has well received by friends and neighbors of the congregation, Dr. Warren S. Jones, minister, announced today.

The compatibility of this complex age and an institution nearly two thousand years old provided theme for this year's Lectureship, "The 20th Century Church." The series is presenting an interesting and well-known minister, educator, or lecturer from the Greater Los Angeles Area, each evening at 7:30 p.m. and will continue through Sunday, January 15.

COMMUNITY SERVED "We believe the church should serve the community in which it exists," Dr. Jones said, "and this series of lectures is designed to acquaint the community with the purposes of the Redondo Beach Church of Christ. The presence of so many of our friends and neighbors at this series of lectures shows a strong interest in New Testament Christianity; and we believe the Christian is more able to face the numerous problems of this perplexing age, than one without Christ," Jones concluded.

This evening Mr. Vance Carruth, minister of the Bellflower Church of Christ, will discuss "20th Century Stewardship."
