

### 'Art Nouveau' Exhibition Set

Preparations are nearing completion at the Los Angeles County Museum for the installation of the unique "Art Nouveau" Exhibition scheduled to open next week. Unpacking and uncrating began last Monday of the more than 300 art objects comprising the first comprehensive survey in this country of an art craze which swept the world around the turn of the century. The "Art Nouveau" Exhibition opens at the Museum next Wednesday, January 18, following a Museum Association reception and preview on Tuesday evening, January 17, at 8 p.m. and continues through March 5.

**PLANS OKAYED**  
 Approval of plans and specifications for water system improvements in Waterworks District No. 13, Lomita, was announced Tuesday by Supervisor Burton W. Chase. The work includes construction of 3,400 lineal feet of water mains in an area bounded on the north by 236th Street, on the east by Arlington Avenue, on the south by 240th Street, and on the west by Crenshaw Boulevard. Chase said the work represents the second phase of reconstructing the water distribution system under contract in the service area of the former Narbonne Ranch Water Company No. 2, which County Waterworks District No. 13 acquired.
