### A New Look Animates Men's Shorts

Walk shorts trot into the maculine spring and summer scene with several new running mates. There's a pretty fancy approach to patterns with a coordination that is tops. Bermuda shorts, for example, in traditional and updated Continental models, vie with slightly shorter Jamaica and play-short lengths. Three quarter deck pants go more conservative with the addi-tion of belt loops and simplified front pockets and boxer elastic backs. An even longer length in pants—to the ankle—is making a noticed entrance.

Batik — show up everywhere . . . in shirts, shorts, sports coats and otherwise. There are native varieties — domestic cottons with easy-to-identify prints and tasy care synthetic blends with zany patterning. Expect a new kind of Madras, that combines the look of his fabric with batik. Results are plaid with batik type discharge printing. There are circle or diamond shaped all-overs, vertical and horizontal stripes formed by abstract motifs and light and dark grounds, with dark preferably showing up in sport coats. Most important of all . . . they all look new and add a note of bold spirit to sportswear for spring 1961.

### Maternity Frocks Go in For Neat Deceit

Flattering standby collars are employed as subtle diversionary tactics in two attractive new maternity styles for Spring. A dress fashioned of wild silk features a bolero back for further interest, is elegant either before or after dark. A two-piece dress in satin-finished rayon ottoman, printed all-over with dainty apple blossoms, forms a beautiful costume for evening wear.

Tunic and elongated bubble lines in unusual fabrics are also seen in new maternity fashions for Spring. Lacy ribbon knits, lace-over-taffetas, like-linen cottons, plus silks form the basis for an exciting new collection. High voltage colors, ranging from variegated stripes to yellow brighten the waiting period . . . many designs are gaily punctuated with dots of aspirin tooversized-coin dimensions, form ew pattern interest.

PRUNE FUCHSIAS You can prune Fuchsias this month. They bloom on new wood, so don't be afraid to cut back the old growth.
