Open House Honors Claude Martins On Fiftieth Wedding Anniversary

SUPERIORITY

Men constantly are seeking to show superiority over women. But they have a mighty hard time when it comes to actual proof of male superiority. Women fishermen, statistics show, are 50 per cent more likely to be arrested for fishing without a license.

We get a sinking feeling in our stomachs as we read that in a survey among high school students on the question 'who contributes most toward improved living standards—business, government, or union leaders?' business ran a poor third.

Explains Amazing Rise in Contact Lens Use

According to press reports, new-type contact lenses are taking the country by storm. Dr. J. M. Soss, optometrist at 1268 Sartori for 32 years, points out that this phenomenal surge in popularity is due to the fact that the public is realizing that perfected plastic contact lenses are a safe, economical method of correcting the vision of people in all walks of life. Because of their tiny size and almost weightless

construction, modern "contacts" can be worn comfortably for as long as 16 hours at a stretch. Dr. Soss states that those who call at his 1268 Sartori Avenue offices can find out, without obligation, how easy it is to wear contact lenses. No appointment is necessary, and Dr. Soss' offices are open Friday evenings and all day Saturdays. Convenient terms. Phone FA 8-6602. Soss offices are maintained also in Wilmington.

Gospel Singer Set for Shrine

Mahalia Jackson, considered by experts to be the "world's greatest gospel singer," appears in concert Saturday night, March 11, at the Shrine Auditorium under auspices of APF Enterprises, Inc.

Miss Jackson, acclaimed for her rendition of such now favorite gospel songs as "The Whole World in His Hands," "Didn't It Rain," "Lord's Prayer," has done more to popularize religious and spiritual music than any other artist. Music critics are amazed by the artistry of Ma-

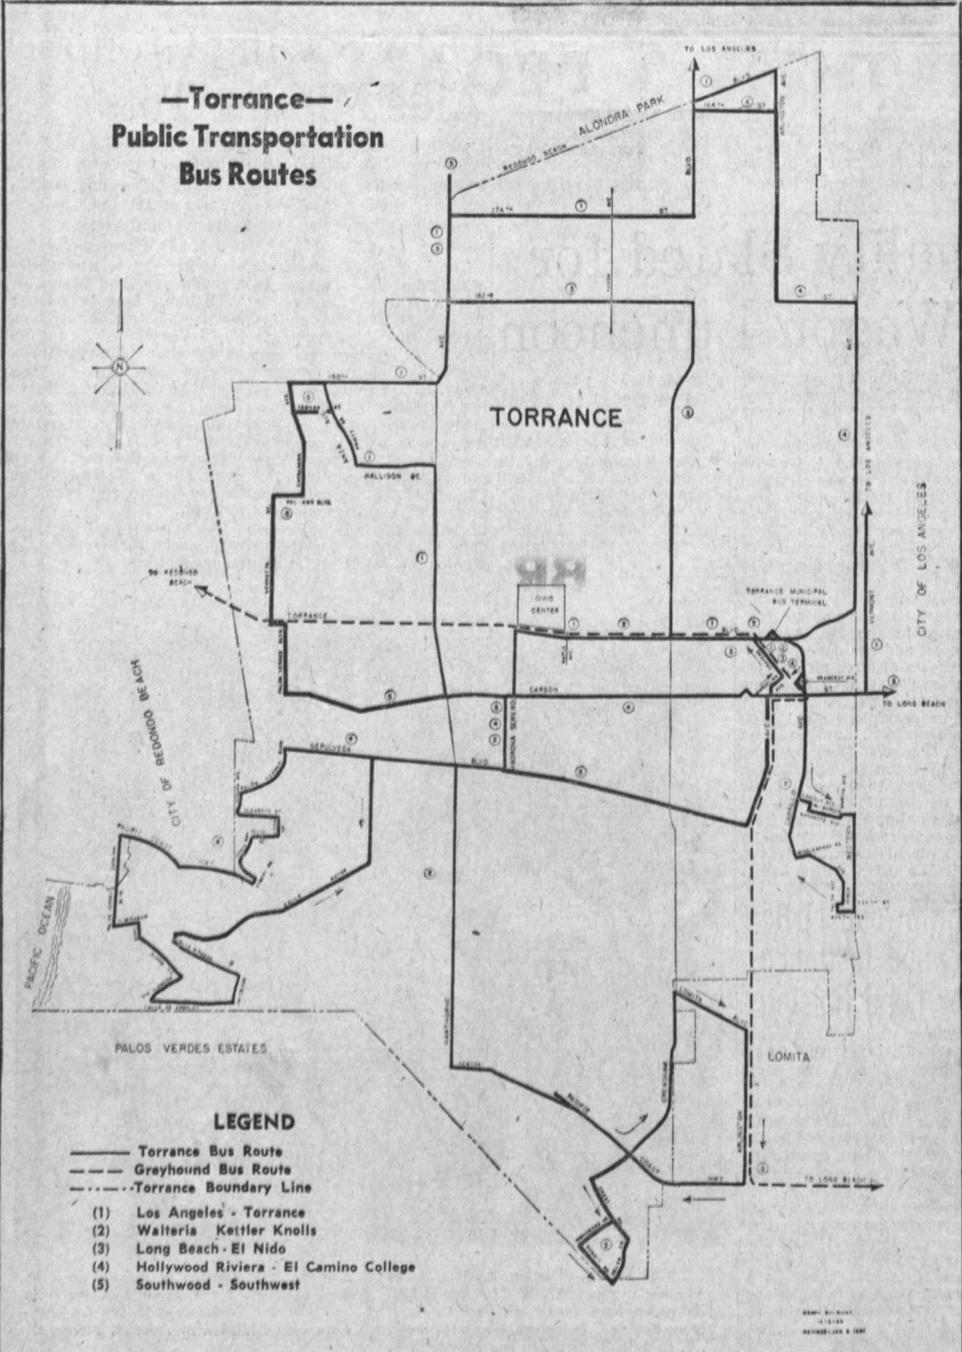

halia, for she has never had a formal music lesson in her 40 years of singing.

Miss Jackson grew up in the atmosphere of jazz and Dixieland music, being born in New Orleans. Due to her strict religious upbringing and love of gospel music, she turned to expressing gospel solely vocally. She sang in her first choir when she was five years old and today, 40 years later, Mahalia Jackson is hailed as an "American institution" and her voice belongs to the world.

FASHION ANTICIPATION — Members of the South Bay Chapter Mothers of Twins Club, Inc., are anxiously waiting to see the double life fashions at the Hacienda Hotel in San Pedro, March 20. Mrs. Glenn Smith, treasurer of the club,

will be in charge of programs for the gala event. Above, Mrs. Smith is with a few of the models for the show, who are (left to right) Sherie Myer, Cheryl Dunn, Caryle Myer and Craig Dunn.

Marian Anderson Sings March 11

Marian Anderson, the most decorated woman of our time in the field of music, is now a member of the Board of Electors for America's Hall of Fame.

The life-time appointment came to the distinguished contralto, who sings at the Philharmonic Auditorium on Saturday night, March 11, simultaneously with appointments to the board of such great Americans as Adlai Ste-

venson, Milton Eisenhower, Carl Sandburg, Dr. Jonas Salk, Henry Luce and Bernard Baruch.

Miss Anderson's latest honor was to be named "Woman of the Year" by the National Women's Division of Friends of Hebrew University. Her awards from kings, prime ministers, governments, titles, colleges and universities are now too numerous to count.

Tickets are available at the Philharmonic box office, at Southern California Music Co., 737 South Hill, and all Mutual Agencies.
