## Student Body Elections Held at Fermin Lasuen

Election of Peter Sturdivant, 16, son of Mr. and Mrs. Paul Sturdivant of Rolling Hills as student body president of Fermin Lasuen High School was announced today by Father Joseph M. Pekarick, principal. Serving with Sturdivant for the 1961 term are Gerald Kaloper, 14, son of Mrs. Kaloper, vice president, and Frank Foretich, 15, son of Mr. and Mrs. Frank Foretich, secretary.

representatives Perry Di Massa and Henry Smith and Paul Hughes. Freshman class council members include Joseph Bebe, Neal King, and Michael Trapani and Timothy Meagher.

Retiring Lasuen charter officers are Robert Donner, president; James Dunn, vice president; and Thomas Guzman, secretary.

### HIGHEST RATING

"The development of strong qualities of leadership and cooperation are a part of our educational program at Lasuen," said Father George Parnassus, vice principal.

Ceramic tile is among materials given the highest rating in a Small Homes Council investigation of resistance to identification of various floor coverings, says the Ceramic Tile Institute.

### WOMEN OF THE MOOSE

First order of business for Sturdivant and his two aides will be the drafting of a charter for the Fermin Lasuen student organization with a permanent constitution to be written and adopted when the boys' high school achieves four year status in the fall of 1962.

Nell Smith, social service chairman, is having a card party at 8 p.m., April 12 at the Moose Hall.

On April 5, Nora Platter had a successful chapter night.

Sturdivant, who made the Honor Roll in his freshman year, is quarterback on the Padres football team, center on the basketball team, and pitcher on the baseball squad. A charter member of the Lasuen Letterman's Club, he plans to enter dentistry upon completion of courses at the University of Southern California.

Kaloper, a freshman, has his sights set on Notre Dame and a subsequent career in Pharmacy. He won his B letter in football and C letter in basketball at Lasuen this year.

Foretich, a sophomore, is a member of the Lasuen Letterman's Club as well as of the basketball and track teams. He is looking forward to enrollment at the University of California and is interested in a future as an engineer.

Rounding out the student government at Lasuen are sophomore homeroom repre-
