Warrior Horsehidors Face Four Victors Of Earlier Tilts as Seas on Nears End

Chuck Freeman's El Camino horsehidors, winners of six and losers of four conference contests, will face the four squads which trounced them as they head toward the season's end.
Thursday (May 4) the Indians take the warpath to Long Beach for a loop encounter that should figure heavy in the standings. The Vikings are currently holding down second place.
LBCC beat the Tribe 8-1 in an earlier clash.
Dennis Shaves, fastballer

from Lennox High, should get the starting call. Last outing Shaves fired a nifty four-hit shutout against Santa Monica.
FACE RENEGADES
El Camino, with a 6-4 conference mark and a 16-9 season record, meets Bakersfield Saturday (May 6) on the Warrior diamond. In the first round the Renegades edged ECC in a 3-2 thriller.
Freeman's nine also have Valley and San Diego remaining on tap.
Last week the Warriors received scoreless pitching from

its mound staff with Shaves and Ted Sprague hurling shut-out ball.
Sprague tossed his gem against L.A. Harbor (Friday) with the Indians pounding out eight hits to score two runs. Sprague held the Hawks to only three well-spaced hits. It was his second shut-out of the season.
Sprague's first shut-out was against East LA in the first Conference encounter.
Shaves picked up his first shut-out of the year when the Tribe trounced Santa Monica 12-0.

Lawndale Golf Pro Will Host Tourney

Lee Wheaton, golf professional at Alondra Park, Lawndale, will host the May 6-7 "Hope in One" tournament benefiting the City of Hope.
Local golf course is one of nearly 50 Southland links participating in the unique event endorsed by golfers' and links associations. All golfers on the course on the tourney days will be eligible.
Two day competition, now in its third year, will offer trophies for the best shots, and a set of matched irons for any hole-in-one aces.

The \$1 entry fees will aid the free, nonsectarian Medical Center's pilot program of patient care, research and medical education in the catatrophic diseases. For nearly half a century the City of Hope, in Duarte, has conducted this battle.
Harry Bassler, Tournament Director, Southern California Professional Golfers Association, and Joe Bishop, active in golfing circles and City of Hope volunteer work are tournament co-chairmen.
Queen for the event is Cathy Case.

ECC Caps 5-Game Winning Streak

Riding the crest of a five-game winning streak the El Camino Golf team plays its most crucial golf match of the season with Long Beach City College Monday, May 15, in a golf duel that closes out the Metro season for the Warriors.
El Camino polished off two top Metro teams in a row recently with wins over Valley and San Diego Colleges. The two victories extended the skein of wins by the six Warrior men coached by Al Greenleaf when added to other victories over Santa Monica, Harbor and East L.A.
The club-swinging Warriors upset San Diego, 31 to 23 after the Knights had beaten ECC earlier this year 19 to 35. Low scoring for the match Les Warr and John Kelly, was the one-two punch of Kelly shot a 77 while Warr held down a 78 round on the Palos Verdes fairways.
At the par 72 Encino Country Club the Warriors defeated Valley for the second time this year, 42 to 12. Low scores for ECC were turned in by Spencer Beard with 75, one of the best rounds of the year, Warr with a 77, Kelly, 78, and Richard

ARTHUR H. MOTLEY

President Arthur H. Motley of the Chamber of Commerce of the United States, says: "Today tens of millions of dollars are grabbed in lumps sums out of the U.S. treasury — out of everybody's pocket — to build a waterways project benefiting only a small area; to build sewers or sidewalks or clear up a blighted downtown area in some community which has found a new way to shirk local responsibility."
