### Gardena Ushers In Nite Racing Card Saturday

Night automobile racing swings into action Saturday night at Gardena's Western Speedway, when the powerful Modified-Sportsman cars of the San Diego Racing Association usher in the 1961 summer racing season on the one-third mile clay oval. Five are listed as favorites in the nights 40 lap feature, which will climax a nine event program. Heading the list is Don Edmunds, Anaheim, 1957 "Rookie of the Year" at Indianapolis, and winner of the \$7,000 Grand Prix at San Diego last year in a Corvette engine machine. He will come up against Bud Sterrett, Long Beach, winner of the 100 mile Big Car race at the Arizona State Fairgrounds in Phoenix last month. Bob Hogle, Buena Park, second place finished in 1960 points. Both Hogle and Sterrett drive Corvette powered racers. ESCONDIDO CHAMP Also Art Pratt, Escondido, three time champion (58-59-

TROPHY WINNER—Jim Wood, San Diego, is shown receiving trophy from lovely Gail Stafford of Torrance at a recent modified-sportsman car race at Gardena's Western Speedway. The sportsman cars open their 1961 night racing season Saturday night at the Western Ave. speedway, where a nine-event program is carded at 8:15 p.m.

### Local Men Complete Special Study

Thirty-two persons, including Torrance Firemen, Police, and Reserve Policemen, recently completed a class in radiological metering operations sponsored through the Torrance Adult Education program. The course was designed to teach participants how to use special equipment in clean-ups after enemy attack, how to detect fallout and radiation, and various types of shelter which might be effective. Instructor was Robert McKnight, Torrance High chemistry teacher. Equipment was made available through the California Disaster Office. Completing the course were John Acapito, Cecil Alter, J. Benner, George Blannik, Robert Browning, Leonard Christian, W. L. Christian, Gordon T. Clarke, Sam Dial, Howard Fisk, Ray Flagg, Bobbie Franklin, E. S. ### B of A Installs Cooling System

Customers of Bank of America's downtown Torrance branch will be able to bank in comfort despite soaring temperatures this summer when installation of a refrigerated air conditioning system is completed there. A 48-ton unit is being installed in the main banking building at 1255 Sartori Ave., and a 15-ton unit in the annex on the west side of the branch. Harold G. Frenz, branch manager, said that completion of the \$34,000 project is scheduled for the latter part of this month. Work is being carried out with a minimum of inconvenience to customers, Frenz added.

### Focus on Government At Torrance High

Student government has once again become the focus of student activity at Torrance High School. Many students have submitted nomination petitions, and the candidates who have met the Associated Student Body qualifying standards as to grades, citizenship, and the specific class membership required by various offices have been notified that their names will appear on the school ballot election day, May 25. Prior to election day, student candidates will have the opportunity to campaign in various ways. Class assemblies will be held a week before the elections, and an Associated Student Body assembly is scheduled just a few days prior to the election. Speeches and skits help the candidates to present their qualifications and promises to the general student body at the aud calls. Campaign posters also make the election period a colorful and anxious time. MAJOR Candidates who have filed for major offices are: Student
