### South High Senior Given Scholarship

M. D. Schwartz, president of the Pacific Smelting Company, has announced that John Everard Dowling III, 17-year-old graduated senior from South High School in Torrance, has been awarded the 1961 Pacific Smelting Foundation educational scholarship. This will be the fifth scholarship awarded to a high school senior in the Torrance high school system by this foundation.

The Pacific Smelting Foundation educational scholarship is exclusively for seniors in Torrance Unified School System who desire to obtain a mathematical, scientific or engineering degree in an accredited university. The recipient of this scholarship is chosen by the foundation's committee on basis of scholastic record, character, citizenship, leadership, aptitude and general educational outlook.

The applications this year were received from North High, South High and Torrance High schools. This is the first year that an applicant was selected from South School, all of these schools being in the Torrance Unified School District.

Pacific Smelting Foundation scholarship will provide John with \$500 a year for five years or a total of \$2,500. This will assist him in paying his college expenses. John intends to enroll in the University of California at Los Angeles and major in the field of electronics.

Winners of this scholarship in prior years were: 1957, Laurence L. George, who this semester will graduate from UCLA, having majored in engineering; 1958, Walter A. Sapp, who is currently attending the University of California at Berkeley, and majoring in mathematics; 1959, Howard A. Borer, also attending Berkeley with a major in mathematics; 1960, Larry A. Staat, attending UCLA and majoring in mathematics. John is the son of John Jr. and Frances Dowling, who reside at 826 Calle de Arboles in Redondo Beach. He has two brothers and one sister. His brother, Leslie Evans, is a graduate of UCLA and his brother, Philip Quentin Dowling, is a sophomore at South High School in Torrance. His sister, Mrs. Richard (Eileen) Stoner, lives in Hollywood Riviera and is the mother of three-month-old Blair Stoner.

John's scholastic record was outstanding all through his high school career and he was very active in school activities. His hobbies consist of amateur electronics, surfing, skin diving and art. He has been proficient in every one of these fields.

As a pioneer Torrance industry, the Pacific Smelting Company has always met its civic responsibilities to its community. Its scholarship program is just one of many civic undertakings of this company. The company produces Pasco zinc products such as slab zinc, zinc oxide, zinc dust and zinc alloys. These products are sold to steel mills, galvanizers, rubber, paint, paper and ceramic industries.

Parents must lead the way in teaching their bicycle riding children to follow the rules of the road, the Allstate Safety Crusade urges. Four out of every five bicycle riders involved in accidents with motor vehicles violate traffic laws.

### Final Spring Production Given at El Camino Today

El Camino College's final production of the spring semester, "Aladdin and His Wonderful Lamp," closes its present run with performances on Friday, Saturday and Sunday.

The play, a fantasy for children, is the story of Aladdin, the young tailor's son from Scheherazade's "The Us and One Nights."

Tickets for the play are 50 cents each and will be on sale at the theater box office. Everyone is invited. There are no reserved seats.

On Sunday, June 4, the last performance will play at 2:30 p. m. Howard M. Banks, El Camino College drama instructor, will direct the student play. In his second year of teaching at El Camino Banks' more recent productions are "Romeo and Juliet," "The Twelfth Night," and the children's play, "The Clown Who Ran Away."

Banks will be on the faculty of the University of Colorado this summer, teaching British drama and directing "Henry V" at the summer Shakespeare festival.

Leading roles in "Aladdin" are taken by Jeff Selwyn and Noel C. Shire as Aladdin; Shirley Turk and Saralee Murma portray Nuphed, Aladdin's friend the Camel; Gail Wilkins and Tesse Tinker, Aladdin's mother; Victor Nastasia, the Magician from Morocco; Sandra Hayes and Marlene Cunningham, Scheherazade, the Story Teller; Michele Smith and Christa Fletcher, the Princess Badruldahur; David Marshall and Lee McLaughlin, the Wazier, an Officer of the Sultan; Ron Murphy and David Pritchard, the Slave of the Lamp; and Parker Herriott as the Fruit Seller.
