Film; Speaker Planned by Women's Group

The Nativity Altar Society has a very interesting June meeting planned. This will be the final meeting until next September and very one is cordially invited to be present.

Some time ago Shirley Deringer, who spent two years in Africa as a Missionary, presented half of her colored slide collection to the Society. At this month's meeting she will show the other half of her collection. The pictures are of a special interest at the present time with Africa so much in the news. Miss Deringer also narrates, and relates many of her interesting experiences during her stay in Africa.

Serving as hostesses for the evening will be Mrs. Harry Kale and the members of the May Guild. This also promises to be something of a little added attraction as each member of the guild will prepare and serve her favorite dessert and also bring copies of her favorite recipes to present to members who like to try new dishes on their families.

The main purpose of the Altar Society is the beautification of the Altars of the Nativity Church. The doors are always open to new members. Meetings are held on the first Tuesday of each month, with the exception of July and August, in the Nativity Parish Hall.

According to Miss Evans, "The qualities of beauty and charm lie dormant within every woman and the only key needed to develop them is knowledge." Her topic, "The Woman You Want to Be," points the way to self-improvement, and her audience will learn how to "look lovelier longer."
