and Jeff Vincent, treasurer. Since the unit has been formed the boys have had the following activities: a "Father and Son" night at the Shady Acres Miniature Golf Club; a "Mother and Son" day in honor of Mother's Day (the boys and their mothers attended "Cinerama Holiday" and a luncheon); a trip through Warner Bros. Studios to see sets and shooting of Maverick, 77 Sunset Strip and other Warner Bros. TV and Motion Picture productions; an Indian Dance Pow Wow; two campouts; a work party on their sail boat, and several Tuesday night sessions holding ham radio communications with the various Explorer posts in the Los Angeles Area Council.

The following members of the group who attended the Order of the Arrow 12E Conference, April 20, received these awards: Danny Rickard — first place in Oklahoma dancing 15 years of age and under, second place in judging of roaches, third place in the judging of chokers; Gary Richard placed second in Sioux style dancing 15 and over; and Ken Shattuck placed second in best costume all classes 15 years of age and under.

The unit took a survey and came up with the following figures: 8 members of the group have attained the Eagle rank, 17 members of the

group belong to the Order of the Arrow an honorary society for Scouting Campers, and if the total number of years spent by the boys and men in scouting were added together, it would come to approximately 150 years.

The boys are planning an Explorer "Excursion" to either Sequoia or Yosemite National Park for their 1961 summer activity. They have a long-range plan for their super-activity of 1962. The unit plans to take a "Good Will" tour of the Hawaiian Islands visiting Scout camps where they will put on their Indian dancing exhibitions.

### Christian Science Lesson Sermon

The mental nature of fatigue will be explained at Christian Science services in the Lesson-Sermon on "God the Preserver of Man." The Golden Text is from Joshua 1:9, "Be strong and of a good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest."

Isaiah's comforting assurance of divine strength as recorded in the Scriptures, declares, "They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; they shall walk, and not faint" (40:31).

In correlative citations from the Christian textbook, "Science and Health with Key to the Scriptures," Mary Baker Eddy affirms, "The scientific and permanent remedy for fatigue is to learn the power of Mind over the body or any illusion of physical weariness, and so destroy this illusion, for matter cannot be weary and heavy-laden." "The consciousness of Truth rests us more than hours of repose in unconsciousness." (pp. 217, 218)

### Luau Slated by Square Links

Square Links of Torrance are busily making plans for a larger and better Luau to be held Sunday, June 11 at the American Legion Hall, 1109 Border Ave.

Luau feast will be served at 5:30 p.m. for a donation of 50 cents. Square dancing will be held from 6:30 until 9:30 p.m. for a 75 cent donation per person.

Prizes and refreshments are planned for the evening.

Narbonne Avenue Baptist Church of Lomita has negotiated a \$100,000 loan to build a new unit in their building program. The new forbuilding will provide space for ages 0-10 and will also provide office space for the pastor and church staff.

The pastor, Robert A. Wells, will speak at the 8:30 and 10:50 a.m. services on the subject, "Who Then Can Be Saved?" "In the days of Jesus' ministry on earth, the wealthy were considered high and mighty. When Jesus taught it was hard for them to be saved, the disciples wanted to know 'who then can be saved?' Jesus provided the answer," Mr. Wells will state.

The 7:30 p.m. message on current questions will be "Are these Wrong?" "The question is often asked on the nature of wrong. What they really want to know is will I be lost if I do certain things?" the pastor states.

Church is observing nursery week this week. The 11 a.m. service on Sunday will feature a parent-child march. A section will be reserved for the parents present with their nursery age children. The church provides the most up-to-date care for children 0-3 years of age during all services. Miss Sue Snider is nursery Coordinator. Under her direction 44 volunteer workers work in the nursery on a rotation system to provide constant care for these children. The nursery at Narbonne Avenue Baptist Church is much more than a glorified baby sitting proposition, it is a baby sitting teaching and training is done in a dignified manner.

The learning process is at work in a child at this early age. Most doctors agree that the child's character is set by the end of age three. "The church is happy to pay tribute to a great corps of workers dedicated to working with our youngest children," the pastor stated.

FATIGUE AND ALCOHOL Fatigue and alcohol both dull a motorist's awareness of his deteriorating ability to drive, according to Harvard University medical findings. As a result of these influences, the driver no longer recognizes his errors or realizes the seriousness of the driving situations he encounters.

Muu Muus and native costume will be the fashion when dancing to caller "Hoppy" Hopkins.

"DAD, WHAT'S PRESTIGE?"

"My Dad's a lawyer. He made me look prestige up in Webster's dictionary. It says it's 'the ability to command admiration and esteem. I'm not certain I know what that means but, anyhow, there sure are a lot of doctors, lawyers, engineers, big business men and other important people livin' in our neighborhood in GRANDVIEW PALOS VERDES. Mom likes our home 'cause it's in such good taste and such high quality. I think I'll look up quality. Is it spelled with a k or a q?"
