### OUT OF BLOOM

There's one reason plants go out of bloom before they should and it just doesn't make sense. Namely: people don't keep the blooms picked. Roses, Stocks, Pansies and other favorites will keep blooming for you if you only do them the honor of cutting their blooms.

CHARLES CAKE, right, pioneer Torrance developer, welcomes Chevron service station owner George Phillips, as first tenant in shopping center now being constructed on Tor-

rance Blvd. The modern facility, located at the corner of Torrance and Anza, will hold its grand opening Friday and Saturday, June 16 and 17.

### Church Youth Here Earn Camp Funds

Youth of the Lomita Church of God are working to pay their own way to Youth Camp at Mt. Palomar, this summer.

On Saturday, June 17, beginning at 9 a.m., the young people will have a car wash for residents of the Lomita-Torrance-Harbor City area. It will be held at "Shorty's Automobile Repair," 25807 Walnut St., one block south of Pacific Coast Highway. The charge for each car will be \$1 with the total proceeds to be divided among the youth of the congregation who will be attending Youth Camp. Residents of the area are invited to help boost this worthwhile project.

\* Adult Bible Class of the Lomita congregation, taught by Pastor Jerry Phillips has joined in with the youth effort by taking the Youth Camp as a Class Project. Thus far, the class has raised \$96 toward their goal of \$100. This fund is being used to help needy youth go to camp and also to provide a scholarship for the current "Youth Camp Contest." The winner of the contest will be the young person who accumulated the largest number of points. Points are given for new friends brought to Sunday School and for the memorization of each Bible Verse. It is hoped that through these combined efforts, the largest possible number of youth from the congregation and surrounding community may attend camp this year. Pastor Phillips will serve as Evangelist for the Senior High Camp and as a Counselor for the Junior High Camp.
