

YWCA PRESENTATION OF \$290 from Torrance Junior Women's Club is being made by Mrs. Gerson Jacobson (left), past philanthropic director of the club, to Mrs. Kenneth Clutter, president of the YWCA.

Program of Summer Fun Launched by Craft Center

Monday the Torrance Arts and Crafts center will get underway with their American Crafts for children program. Craft Center director Erika Muhl will direct participants in making bead-work purses, a paper-mache "Blue Ox," palm frond masks, Hawaiian leis, and other American projects.

Sessions will be set-up so that new projects will be completed within each two week period. Morning classes will take place Monday and Wednesday and afternoon classes will be held on Tuesday and Thursday. Each session will last two weeks and include four lessons.

PUPPET CLASSES

Puppet classes are scheduled for Monday and Wednesdays, 1-2 p.m. and Tuesday and Thursdays, 9:30-11:30 a.m.

Information on fees, age limits and other requirements may be obtained at the center—FR 5-9142—or Torrance Recreation Dept.—FA6-5310.

Starting the same week is the Department's "Fun Thru Music" program. Jim Davidson, director of the program, will launch weekly at different park sites. Volunteer Astronauts should bring their own launching towers (music stands) if they have them and their missile (string, brass or wood). Registration blanks are available at the Recreation Department or at City Hall. Information can be received from the "Commander," Davidson, at FR 1-6725.

SYMPHONIC STRINGS

A new comer to the summer program this year is another musical group called The Symphonic Strings. This group under the direction of Bob Simon, will provide musical enrichment for students who wish to perform symphonic music.

Those eligible will be high school age advanced music students. Auditions will be held Tuesday, June 27, at Walteria Park. This program will conclude with a concert

at the Bandshell, August 13. Information can be obtained by calling the recreation department at the City Hall, FA 8-5310, or Simon at FR 9-0829.

MODERN DANCE

Registration is now open for the Modern Dance group which will be under the direction of Joan McGuire and Georgette Cumberly. This program is for the big and little girls ages 1-18 years. The program will emphasize dance techniques and movements. There is no fee for this class.

Golf lessons will be offered to youngsters by Frank Murin, recreation dept. golf instructor. Free lessons will be available to youngsters from 9 through 17 years at a different park each week.

Size of the classes will be limited and early registrations are advised. Adult golf instruction is also available. Registration at Torrance Recreation Department.

Merkley Visits Polaris Plant

G. C. Merkley, plant manager of National Supply Co., Torrance, was among men representing 40 Polaris subcontractors in 10 states who toured the Westinghouse Electric Corporation's Sunnyvale manufacturing division, prime contractor for Polaris launching and handling equipment last week.

The group viewed a test firing of a land-based Polaris missile at San Francisco Naval Shipyard, after luncheon in the Officers Club there.

Earlier they received briefings on Polaris, the U. S. Navy's fleet ballistic missile weapon system, by Cmdr. George F. Moran of the U. S. Navy's Special Projects Office, Washington, D.C. Special Projects is responsible for the weapon system.

DO YOUR GLASSES NEED ADJUSTING?

BRING THEM IN! If your glasses frames are "crooked" from ordinary wear or an accidental blow, come in and let us re-fit them for you. We'll be glad to straighten the frames, align the lenses and adjust the nose pieces to restore original sight correction and comfort. It will take but a few minutes and no appointment is necessary.
