College Coed Edits Annual of El Camino

Miss Nancy Bobo will serve as editor-in-chief of the 1962 college yearbook, the Warrior, the publications department of El Camino College announced today.

A graduate of Redondo Union High School, Miss Bobo served as organizations editor of the 1961 Warrior. While in high school she was also active on student publications.

Miss Bobo will assume duties from Sonja Ottenbacher, 1961 spring editor.

ASSISTANT

Serving as Miss Bobo's assistant for the fall semester will be Violet Madrid, also a resident of Redondo Beach. Miss Madrid completed the activities section of this year's publication.

Taking over the position from Vicki Reed, Miss Madrid will aid Miss Bobo with layout of the 1962 book. Miss Madrid is also a graduate of Redondo Union High School, where she reigned as queen of the Coed Ball and served as Girls' League president.

The remainder of the staff will be selected at the beginning of the fall term.

The 1961 Warrior was introduced at the annual press banquet June 4.

Eugene Uht is adviser of the yearbook staff.

Savings, Loan Firm Reveals New Dividend

Glendale Federal Savings and Loan Association paid more than \$3,175,000 of dividends to its 128,000 savings customers during the second quarter of 1961, it was announced by Charles Wellman, president.

The record total was based upon Glendale Federal's current 4 1/2 per cent dividend rate, which the board of directors voted to continue during the coming quarter, Wellman said.

Total dividends paid during the first half of the year came to \$6,320,000 — nearly \$800,000 or 14 per cent ahead of the \$5,540,000 total for the first half of 1960, he said.

Glendale Federal's assets now stand at more than \$365,000,000, up \$23,000,000 over the \$342,000,000 January 1 figure. Wellman said this represented a growth in assets of just under \$900,000 for each five-day business week during the first half, and that this association expects to grow at an even greater pace during the next six months of the year.

Mortgage loans at Glendale Federal are headed into their finest year in terms of funds disbursed, Wellman said. During the first five months of 1961, the association made \$55,145,000 of home loans in the Greater Los Angeles area.

SNEAK PEAK

Films of the new Los Angeles International Airport, including areas not yet open to the public, will be the subject of "Los Angeles Report" on the airport's dedication day, Sunday, June 25, (11 to 11:30 a.m.) on KNXT, Channel 2.

Vacation Bible School Stresses Creative Works

"Material selected for this year's Vacation Bible School of the Harbor City-Lomita Methodist Church will emphasize the development of creative abilities of our children through work, study, worship and play," said Mrs. Orene Walker, director.

Stores, Bible references, games and songs will be used each day.

"My Family and My Friends" will be studied by four and five-year-olds. Estaline Bunch, Elsie Yates, Joyce Sparks, Evelyn Grisham, Bobbee Reynolds, Mrs. Kaufman and Mrs. J. Beard will teach this group.

"Love One Another" is the subject for the first, second and third graders. Opportunities for putting this into practice will be a part of each day's experience at the school. Teachers for this group will be Betty Waters, Elda Frock, Bobbee Allan and Marge Lowery.

"Living and Working Together as Christians" is the unit of study for the fourth, fifth and sixth grades. This study is slated to provide a workable knowledge of the teachings of Jesus so that each boy and girl will become more capable of applying them to his own daily problems. Teachers are May Fair, Esther Anderson, Oline Seim, and Mrs. Kasser.

Mrs. Ruth Arms will be in charge of the refreshments each day. Penny Fry, Shari McMinn, Claudia Yates and Chris Kozakiewicz will assist the teachers. Tom Hubbert will make posters.
