# Bowsfield Moves Angel Club

As a team, the Los Angeles Angels have been one of the more pleasant surprises in the American League. Their performance this year, in their maiden season, has more than borne out the hopes that expansion of the junior circuit was good for baseball. Certainly, many players who might not have been given opportunities to display their talents in the big leagues have been given chances — and they have come through! The Angels are pleased to have a number of them, such as Ken McBride, Lee and George Thomas, Ken Hunt, Joe Koppe, Billy Moran, to name a few. But one of the top surprises — and hopes for the future — is southpaw Ted Bowsfield, who came to the Angels as an afterthought, so to speak. Ted, the "crafty Canuck," as his mates like to call him, came to the Angels when catcher Red Wilson retired from baseball after the original player draft last December. "Bowsie" has done an excellent job — first in relief, and more recently as a starter. The 26-year old left-hander first started at Baltimore on June 7th and it was a spectacular 1961 debut indeed, as he blanked the Orioles on five hits. Since then, Ted has been a starter and a most effective one. "I have been working on a screwball most of the time, and coach Marv Grissom has

helped me immensely," Ted says. "The main difference in my pitching has been that I can now use the screwball effectively to go along with my other stuff." His other "stuff" consists of a fast ball, slider, curve and change-up. When he first came up to the American League in 1958 with Boston, Ted was basically a fast-ball pitcher. But he re-injured his arm and consequently is not as fast as he once was. Bowsfield hit the headlines in a big way in '58, as he defeated the New York Yankees three times. This year, Ted has pitched effectively against the Yanks and the other A. L. clubs too. As the Angels move into the final stages of the 1961 season, Bowsfield will have an opportunity to become the second Angel hurler to record 10 or more wins. Ken McBride has an even-dozen. For Bowsie, this has been a most eventful year. From a little-known reliever to a prominent-and-important starter in the regular rotation.
