

T. H. BECK
... Appointed

T. H. Beck Named Ryan Director

T. H. Beck has been named director of engineering for Ryan Aerospace, Frank W. Fink, Ryan Aeronautical Company vice president-engineering and sales, announced.

Beck is a veteran of more than 30 years' experience in aeronautical engineering. He began his duties at Ryan in 1959 as engineering manager-Army aircraft, and, more recently, was engineering manager - product development. Beck attended Case Institute of Technology and Fenn College, both at Cleveland; Ohio; and the University of Southern California and UCLA.

Since starting as an apprentice at the Great Lakes Aircraft Co. in 1929, Beck has been associated with Douglas, Northrop, North American, Convair, and prior to joining Ryan was with Fairchild Aircraft Corp. for nearly 12 years.

Football, Net Classes Held

Men 18 years of age and over are eligible to attend the Touch Football Officials' Training School at 7:30 p.m. Oct. 9, at Echo Playground, 1632 Bellevue, it was reported yesterday by the Los Angeles City Recreation and Park Department.

The Special Events Division of the Department will be in charge of the session which is designed to train officials for the municipal playground touch football leagues for boys 17 years of age and under, according to Ralph Borrell, supervisor of special events in the Department.

Instructor will be Recreation Director Morris Lubarsky, Borrell said.

Advance registration is not necessary and complete information about the free Touch Football Officials' Training School can be obtained by calling MAdison 4-5211, Station 542, Borrell stated.

Initial sessions in the six-week Tennis School for Women will be staged at 7 and 8 p.m. Sept. 28 at Poinsettia Playground, 7341 Willoughby Avenue, it was reported yesterday by the Recreation and Park Department.

Information about the Thursday night classes, which will be conducted Nov. 2, can be obtained by calling Mrs. Dorothy Rawlings, DU 2-0825, or Minnette B. Spector, supervisor of recreation in charge of the Department.

Home Savings Tops Real Estate Loans in County

Home Savings and Loan Association again led all other financial institutions in volume of real estate lending in Los Angeles County during August, according to a monthly survey by the Realty Tax and Survey Co.

Home savings made 980 loans amounting to more than \$21 million. This brings the association's lending volume for 1961 to \$170 million through 7502 loans. Its total loan portfolio is in excess of \$814 million.

Home Savings, with assets nearly \$1 billion, has 24 branch offices in Southern California communities.

ment's girls' and women's activities, MA 4-5211, Station 511.

The forthcoming series of instruction sessions was requested by working women who were unable to attend two six-week schools staged during the summer, according to Mrs. Spector, who said that nominal fees will be charged those attending the Sept. 28 to Nov. 2 classes.

STL Names New Heads Of Divisions

Appointment of James R. Dunn to senior staff engineer in the Mechanics Division, and Robert C. Anderson to associate director of the Division's Propulsion Laboratory has been announced by Space Technology Laboratories, Inc.

In his new position, Dunn will serve as special task representative to the Mechanics Division director, Dr. Robert Bromberg, while Anderson joins Director Art F. Grant, Jr., to head STL's recently organized Propulsion Laboratory.

Prior to the reorganization, Dunn was head of the Laboratory's Liquid Rocket Engines Department, and Anderson was Manager for solid rocket engines.

Dunn is a graduate of Purdue University, where he received his B.S. degree in aeronautical engineering and is a member of the American Society of Mechanical Engineers and American Rocket Society. With STL since 1955, he resides with his wife and two children at 2621 Via Carillo, Palos Verdes Estates.

Anderson, a graduate of the University of Colorado with a B.S. degree in Mechanical Engineering, has also taken advanced studies at UCLA. He has been with STL since 1956, is a member of the American Rocket Society and a Registered Professional Engineer in California.

He is married and the father of three children. The Andersons live at 2537 Via Rivera, Palos Verdes. Space Technology Labora-

Winter Sporting Show Opens Run

The second Annual Winter Sports Show will start its three day run Oct. 20 at Shrine Exposition Hall in Los Angeles.

This year's show plans to feature the ski resorts of Western United States, most of whom have booths in the show in which they plan to display their facilities.

As in the past, a fashion show, ski movies, entertainment and ski celebrities will add to displays. Most ski clothing and equipment manufacturers plan to introduce their new lines at this show.

The show is put on by a group of local ski dealers on a non-profit basis for the benefit of Junior Skiers of Southern Calif.

The Junior Skiers organization is also a non-profit group, formed to provide a supervised program of competitive skiing for So. Calif. juniors.

The main purpose of the program is to aid young local skiers so they may compete on a par with skiers from areas which enjoy more ideal skiing terrain and snow conditions.

Show hours this year will be: Friday, 3 to 10 p.m., Saturday, noon to 10 p.m., and Sunday, noon to 10 p.m.

Storries has also announced appointment of N. D. Schetzer as associate director of the Aerosciences Laboratory, Mechanics Division.

Schetzer, who until recently was with the Martin Company, Denver, is a graduate of the University of Michigan, where he received his B.S. degree in physics and M.S. degree in aeronautical engineering. He is a member of the Institute of Aeronautical Sciences and American Rocket Society.

He and his wife, Betty, and their two children reside at 2623 Via Carillo, Palos Verdes Estates.

HELD OVER FOR an additional weekend is Chapel Theatre's production of the "Madwoman of Chaillot," which is the current attraction of the theatre, located behind the

Smith Bros. Fish Shanty, Pacific Coast Hwy. Pictured are Mitzie Archer, John Schiavone, Eunice Hargrove and Jim Phillips, cast members.

For Bird Hobbyists . . .

Joey Says "Goodbye" While Parrot Inquires "What's the Matter?"

Members of Harbor Bird Hobbyists Club met at the Torrance home of Mr. and Mrs. John A. Tresler, Sept. 24.

The meeting was presided over by Mrs. Ted McDaniels of Lomita. Final plans were for the coming B.A.C. Show in October. There will be 24 cages of foreign birds on display. The show will be open to the public Oct. 15, at the OCAW Hall on Willow St.

The Tresler collection of birds includes Budgies, Canaries, Finches, Peach faced Love Birds, Cockateils, Pekin Nightingales, Diamond Doves, and two special favorites, a cockateil named Joey, and a Half Moon parrot called Chips.

Joey has a small vocabulary, says "Hello, Joey," and "Good boy, Joey." However, he is quick to learn, and speaks very clearly. Chip's vocabulary is quite large.

such as; "Goodbye, Honey," "Help," "What's the matter?," "Mama," "Give me a nickel," "Hello, Betty," "Break it up," and "Kitty Kitty."

Members attending were Mrs. Carrol Vernon, Howard Mercer of Lomita; Mr. and Mrs. Don Armes of Harbor City; Mr. and Mrs. Carl Lewis, Joseph Roberts of No. Redondo Beach; Mr. and Mrs. Robert Hilborn, Robin and Michael of Torrance; and Mrs. Clara Neiland of Lynwood.

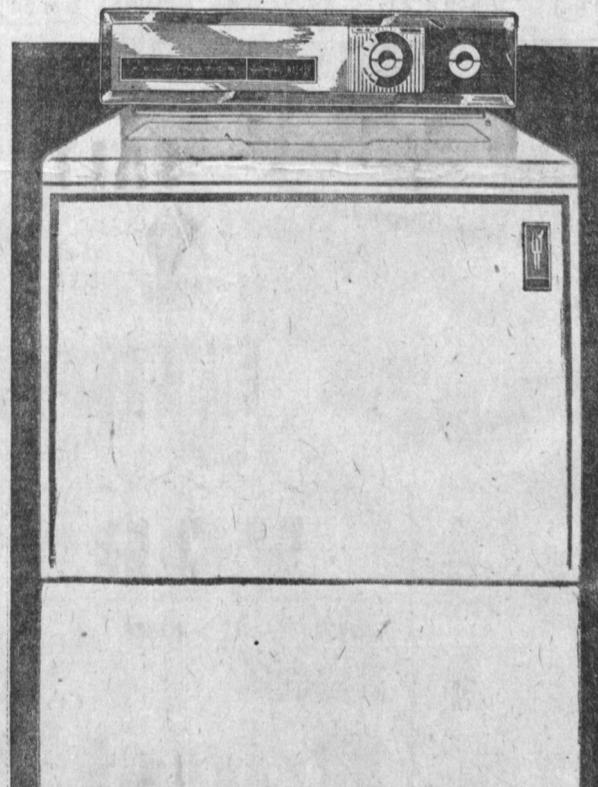

Any one interested in joining the club, may call Mrs. Betty Tresler, FA 8-5483, evenings for information.
