Only from Motorola—Vibrasonic

... the acoustical compensator that lets you custom-fit sound to the acoustics of any room. Music comes out livelier, richer, more dimensional. Use it with all records, FM/AM radio and new STEREO FM.

3 Channels of Sound—three separate amplifiers (not just 2) add to the music power. Three separate speaker systems (not just 2) play only the notes they are created for. Result: unexcelled tonal purity and realism.

Golden Stereo Automatic Record Changer with exclusive Feather Trac tone arm. Amazing aluminum tone arm rides feather light, won't skip or jump. Records sound like new even after 1500 playings!

EXCLUSIVE VIBRASONIC
 Lets you custom-fit the sound to the acoustics of any room to match the depth and liveliness of the original performance.
