### National Champs to Vie Saturday at Drag Races

Pete Robinson of Atlanta, Georgia, over-all winner at the recent NHRA Nationals in Indianapolis, has announced his entry in this Saturday night Western Drag Racing championships at Long Beach. Off his performance at the Nationals, Robinson has to be favored, however, Tom McEwen of Long Beach may have a home strip edge. McEwen won the first round of the Western championships two weeks ago and Zane Shubert of Santa Ana won last week's second round giving them each 1,000 in prize money.

Robinson defeated McEwen on three different occasions back east, so for the fiery little king of local drag racing this return match is a grudge race.

Also highly regarded, is Gordon Collett from Portsmouth, Ohio, who is entered in this week's meet. Collett is listed as the No. 2 driver in the country behind National Champion Jack Chrisman, Compton.

Chrisman has been in the two earlier meets, but was unable to make his car run up to expectations. National record holder Lefty Muderbach of Pico-Rivera blew an engine to keep him out of

### Gray Favored in Saturday 100-Lap Ascot Grand Prix

Eddie Gray of Gardena, now driving out of San Fernando for Galpin Motors impressive team, rates as a prohibitive favorite in Saturday night's 100-lap Grand Prix NASCAR late model stock car race at Ascot Park, 183rd and Vermont.

First race is scheduled for 8:30 p.m., with time trials getting under way at 7 p.m.

Gray, winner of no less than eight major stock car events this year on the west coast, has been plenty tough on Ascot's half-mile, dirt track this year, already winning three races there this season.

His last Ascot win, however, was tinged with the blessing of Lady Luck which saw the veteran pilot easing in for an unexpected win when almost certain winner Don Noel of Arleta blew a tire on the 99th lap to allow Gray to win.

ANOTHER WIN Since then he has added a 100-lap win at Sacramento to his win collection, but last week finished a sad twelfth to winner Lloyd Dane of Buena Park at Antioch when his speedy No. 98, '61 Ford developed transmission trouble.

The aforementioned Dane, actually Gray's arch-rival, now has his potent '61 red Chevy No. 44 in fettle again. He upset Gray also last May in the famed Riverside 100-miler.

Others in contention will be the likes of Ron Hornaday, Gray's Galpin teammate and winner at Ascot and Sausalito; hard-luck Noel and Eddie Pagan of Lynwood; Clem Proctor of Compton in a rebuilt 1960 Pontiac; Bob Ross of Lakewood, second at Antioch in a new 1961 Olds; and a field of more than twenty others.

The starting points of the run are Banning, California and Parker, Arizona. On the program at the destination point—29 Palms Recreation Park—will be a barbecue, square dancing, the awarding of trophies and prizes, swimming, field events and the giving away of a free week-

end in Las Vegas.

Patrolling the route will be the Amateur Radio Emergency Corps of East San Gabriel Valley under Emergency Coordinator Robert Zeiter.

Larry Allen, of 29 Palms Radio Station KDHI, is honorary chairman of the event. He is assisted by Darrol Peacor, chairman of the Road Riders Committee and Otto Risner, president of the 29 Palms Chamber of Commerce.

Proceeds from the individual \$3 donations will benefit

the free City of Hope National Medical Center in Duarte. The famed facility now approaching its half century mark has piloted the way in scientific and medical research against the catastrophic diseases.

### GRILLE SCREEN

A good way to screen a large view window from stares of passers-by is to build a decorative wood screen at an angle between street and window.
