

Lasuen Has Opening Unit Conference

Fr. Frank J. Jensen, O.M.I., principal of Fermin Lasuen High School, announced the first School Parent Teacher Organization conference will be Monday from 7:30 until 9 p.m.

Lasuen faculty members will meet with parents wishing to review their sons' program and progress, Fr. Jensen noted.

Heading the staff of teachers new to Fermin Lasuen this year is Fr. Arthur Cantrell, O.M.I., vice principal. Fr. Cantrell was educated in Washington, D.C., where he completed his theological studies and took his B.A. degree at Oblate College. Fr. John Murphy O.M.I., obtained his M.A. in religion at Catholic University, Washington, D.C. Fr. Patrick Thompson, O.M.I., was educated at the Mazerod Scholasticate in San Antonio, Texas.

Other new faculty members engaged to meet the demands of an increased enrollment and expanded curriculum are James Ballagh, John Calise, William O'Malley, Rudy Macioge, Ben L. "Ted" Bear.

Returning faculty members include David Thorn, Robert Hill, Ernest Hernandez, Robert Balz, Ernest Martinez, Thomas Robinson, and Charles Miller.

Civil Service Has Jobs for Students

Applications are being accepted for Student Trainee positions from students who are enrolled in the 1961-62 school year, Bernard Rosen, Director, 12th U.S. Civil Service Region said recently.

Student Trainee positions, paying from \$67 to \$77 a week, offer high school seniors and college students an opportunity to combine their college study with training on the job in one of two types of programs. In the vacation work-study program, students attend college during the entire scholastic year and work in a Federal agency during the vacation periods.

In cooperative work-study programs, students alternate their college study and work periods during the entire year.

Jobs to be filled in California and Nevada are in such fields as engineering, chemistry, mathematics, metallurgy and other technical fields.

Further information and application forms may be obtained from the 12th U.S. Civil Service Region, Room 128 Appraisers Building, 630 Sansome St., San Francisco 11.

Board Appointed At Harbor City

New board members ratified at the recent Harbor City PTA board meeting, are Mmes. Joe Barham, community chest; Donald Beckman, juvenile protection and Norman DeCosta, co-newsette.

Mrs. Howard Mason, ways and means chairman, announced the classrooms of Ruth Wilson, Harold Ball and Mildred Dudley were awarded books as prizes for the recent paper drive. Preparations for the John Strong circus, Oct. 26, for the school children are under way.

A newspaper drive in the spring is planned.

College Delegate

Freshman Claudia Canter of Torrance has been elected freshman floor representative of Centennial Hall, a women's housing unit at Wartburg College, Waverly, Iowa.

As a member of the dorm council, Miss Canter will play a role in a body which helps control discipline and programming in Centennial Hall.

She is the daughter of Mr. and Mrs. Edward Canter, 3502 Senefeld Drive, Torrance.

STRENGTH AT LOW TEMPERATURES

Steels containing nickel retain their toughness at sub-zero temperatures where most metals become brittle and break.

NICKEL IN THERMOSTATS

By varying the nickel contents, alloys of either low or high coefficients of expansion can be produced. These alloys are widely used in thermostatic devices.
