

**QUIET DINNER** — Friends and supporters of Councilman J. A. Beasley who have volunteered to work in his behalf during the coming campaign, staged a quiet dinner for the incumbent recently at the Jump 'N' Jack Restaurant. Shown here with Beasley, second from right, are Jack Brown, a member of the Airport Commission, Peggy Bower, Chris Sorenson and, right, Agatha Burwanger.

### Candidate Reports He'll Open Torrance Offices

A Republican fact-finding committee last week chose Theodore A. "Ted" Bruinsma as its endorsed candidate for Congress in the 17th District. The vote was 55-12.

Committee, chaired by Charles Soderstrom, was composed of members and alternates of Republican Congressional and Assembly District central committees, members and alternates of the State Central Committee, precinct chairmen and alternates of both Congressional and Assembly districts, finance chairmen of the Assembly Districts, delegates from each Republican club and 28 Republicans-at-large from the 67th and 68th Assembly Districts.

On hearing word of his endorsement, Bruinsma declared that "he will wage an all-out offensive designed to defeat incumbent Cecil King in the November election."

Bruinsma said his campaign will "be based on the strengthening of American principles and development of fiscal responsibility in government."

"Above all," Bruinsma declared, "an extreme effort will be made to demonstrate to the laboring people within the borders of the 17th District that the Republican party is the party of the people."

Bruinsma, 40, is married and the father of four children. A former Navy officer, he is an attorney and financial consultant. The candidate graduated from Washington and Lee University, Harvard Law School and the Harvard Business School.

In his campaign Bruinsma promised a "strong stand against Communism and governmental 'give-away' welfare programs."

Campaign headquarters have been opened at 420 S. Gaffey St., San Pedro. Additional headquarters will be established at a later date in Torrance, Gardena, Wilmington, Harbor City and other areas.

### Richard Ruffell On High Honors Roll at Utah U

Richard Lee Ruffell, son of Mr. and Mrs. K. R. Ruffell, has been named to the high honors roll at the University of Utah.

A graduate of Torrance High School, he is majoring in physical education and is a senior. The high honor roll represents those students at the University who have a grade point average of at least 3.5 or "B" plus. Relatively few students attain such high academic standing.

### Help O.A.S. Pensioners Get Glasses Without Cost

New glasses are now available to eligible pensioners without cost to them because of a liberalized pension law. In commenting on the extra benefits allowed senior citizens, Dr. J. M. Soss, optometrist in the Harbor area for 32 years, emphasizes that his office is always available to pensioners who desire friendly help in determining their eligibility for glasses and in completing necessary records. All the pensioner need do is to bring the identification card, and all details will be handled without obligation. Dr. Soss' optical services are complete, including the grinding of lenses in his own modern laboratories. His 1229 Sartori Ave. offices are open Friday evenings and all day Saturdays. Phone FA 8-6602. No appointment is necessary. In Wilmington he is located at 810 Avalon.

### Approve Signals, Resurfacing for Area Streets

Plans and specifications for the installation of traffic signals at the intersection of Alameda St. and Dominguez St. were approved last week by County Supervisor Burton W. Chace.

Bids for the project will be opened by the Board of Supervisors on February 13.

Chace also disclosed that the Board had allocated funds for resurfacing four local streets. They are Embassy Ave. and Carlerik Ave. from 218th St. to 220th St. as well as the resurfacing of the latter two streets from Embassy to Carlerik.

The roadways will be resurfaced with asphaltic concrete.
