### Area YMCAs Start Annual Fund Raising Drive Tomorrow; Plan Carson Area Meet

Carson area's YMCA fund drive campaign for 1962 will go into financial orbit tomorrow at 7:15 a.m., in the Pacific Cove Bowl. Gathered to hear Otto Buss, educator and YMCA worker, will be one hundred plus workers who have been training for this campaign kickoff breakfast at small group orientation meetings since early December.

Buss, secondary administrative coordinator for junior high schools in the Los Angeles City Schools, has had a distinguished career as teacher, principal, and administrative head in the L.A. district. He has helped build the chain of camps operated by the metropolitan "Y" in Southern California mountain areas. In recent years he has shepherded groups of high school boys through Europe on "Y" sponsored hostel trips. Buss plans to provide the final countdown for the \$16,000 two-week rocketing campaign set by the local YMCA board of managers and Leon Sklar, general chairman of the campaign drive.

"Fuel" for the drive has been donated by local area citizens who deal with children or survey the growth of great city areas.

**GO AHEAD**  
"Given the go-ahead by the local community," says E. Andresen, "Y" secretary, "We'll crash program on four fronts: work with high school youths, a leadership-development program for outstanding young people, work on a family - group basis and renewed emphasis on physical fitness."

Underwriting the cost of the breakfast are John Bertram of Avalon Savings and Loan and Harold Coulthurst of Wilmington Savings and Loan.

"We hope the combination of a hearty breakfast and a stimulating speaker will inspire the workers to persuade our citizens to open their purse-strings a little bit more generously for the YMCA work," said Coulthurst and Bertram.

Campaign workers have been divided into five divisions. Heading each group is a division head, followed by four captains and five team members for each captain.

Division head Hal Farwell is assisted by Captain Paul Keller, team members George De La Torre, Joe Pawlowski, Ed Roer, Cal Thomas and Art Calderon; Captain Y. B. Quesada, workers: Tom Sawyer, Rupert Massey, Robert Denni, Er-

nest Brower, Roy Beal; Captain E. B. Kilstofte, members Allan Lind, Edgar Turpin, Ed Fike and Bud Lorbeer; Russell Crowell, Pash, Charles Azar, Harvey Klivans, Richard Layer; Captain Richard Hildom and workers Dade Albright, Doyle Johnson, Tom Lane, Harry Van Deventer and Dr. James Soss.

### Repairs Slated For Three Carson Area Roads

County Supervisors last week approved the expenditure of \$5,000 for improvement of three streets in the Carson area.

According to Supervisor Burton W. Chace, the funds will be used to widen the east side of Vermont Ave. south of 223rd St. and to resurface portions of Raymond Ave. and Berendo Ave.

Vermont Ave. improvement will consist of widening the existing pavement to join with curb and gutter recently constructed by adjacent property owners under county permit. Recent traffic surveys show that this section of Vermont

is used by more than 8500 vehicles per day.

Raymond Ave. from 204th to 208th St. and Berendo Ave. from 208th St. to Milton St. will be resurfaced with asphaltic concrete to provide a smoother, more durable riding surface.
