**Torrance Couple Hear Candidates At Convention**

Mr. and Mrs. Philip Le Feuvre, 5525 Michelle Dr., Torrance, members of South Bay Young Republican's Club attended the annual convention of the California Young Republicans which was held at the Disneyland Hotel, Anaheim, California on Feb. 2 to 4.  
 More than 500 Young Republicans from throughout the state attended the three day convention to discuss plans for Republican victory in 1962 and the part the Young Republicans will play in achieving this victory.  
 Main speakers for the convention included Joseph C. Shell, candidate for Governor, Assemblyman Bill Bagley from San Rafael, and Assemblyman John Buserud of San Francisco.  
 Young Republicans attending the convention took the opportunity to visit the world famous Disneyland Park, this provided a relaxed interlude from convention chores.

**JOHN D. SPAULDING**  
 ... Retires

**National Supply Division Bids Farewell to Mgr.**

John D. Spaulding, works manager of the Torrance plant, National Supply Division, Armco Steel Corporation, has retired after more than 38 years service. He will be succeeded by Glenn C. Merkle.  
 Mr. Spaulding started with National Supply in 1923 at a plant then operated at Carnegie, Pa. Later engineering assignments took him to the Toledo plant and then to the Torrance plant. He became works manager at Torrance in 1938. During 1944 he was given a temporary assignment as works manager of the engine plant at Springfield, Ohio, but returned to the Torrance plant as works manager in 1945.  
 He has been a registered patent attorney since 1932 and a registered mechanical engineer in California since 1948.  
 He is a member of the American Petroleum Institute and a director of the American Ordnance Association, the Merchants and Manufacturers Association of Los Angeles, the Quarter Century Club of Los Angeles, and Junior Achievement of Los Angeles County, Inc. He has been presented the Silver Knight Trophy of the National Management Association.

**Bradley Elected By Wholesalers To Be Director**

Jim Bradley, owner of Beach Beverage at 21801 S. Vera, Torrance, has been elected a director of the California Beer Wholesalers Assn.  
 Bradley was named to the post at the annual convention of the association which was held last week in Palm Springs. He will represent the Redondo Beach area in the association's activities.  
 Beach Beverage is the local distributor of Pabst, Blatz and Eastside beer.

**Literary Group Tours Antique Museum Thursday**

Ten members of the Literary Group of the Torrance Woman's Club, District 18, CFWC, will tour the Kuska Antique Museum at 24201 Walnut St., Lomita, tomorrow morning.

They will leave from the home of Mrs. Godfrey Nelson, chairman, 1744 Arlington Ave., Torrance, at 10:45.  
 Attending will be Mrs. Helen Warnock, Eve Le Gally, Fern Quinlivan, Alice Palmer, Betty Standstrom, Hazel Ward, Eleanor Lucas, Rose Johnson, Lillian Dunhouse and Flora Nelson.

**Robert Murphy Gets Nomination To Air Academy**

Among the eleven young men announced by Congressman Cecil R. King as being nominated as candidates for appointment to the Air Force Academy in 1962 is Robert E. Murphy, 2360 Apple Ave., Torrance.  
 Other South Bay area nominees are: Charles J. Maxham, 4040 W. Palos Verdes Dr., Rolling Hills; William L. Tenney, 25849 Appian Way, Lomita; and William V. Abbott, 1725 Palacios Dr., San Pedro.

Mr. Spaulding attended George Washington University. He has a mechanical engineering degree from Carnegie Institute of Technology and a law degree from Duquesne University.  
 Mr. Merkle started at the plant in 1922 and had a series of shop and field assignments. In 1935 he began an extensive sales career in oil field and industrial products that took him to various parts of the United States. Since 1956 he has been plant manager at Torrance.

**Amateur Radio Club Moves to Torrance Home**

Marina Amateur Radio Club, which was established nearly a year ago to serve the "hams" of the South Bay area, according to Raymond Grace, public relations chairman, will meet in their new quarters tomorrow.

**Expansion Seen At Dow Co's. Torrance Plant**

The Dow Chemical Company is expanding its facilities for the production of high impact polystyrene at its Torrance plant.  
 Leland A. Doan, general manager of Dow's Western Division, said the expansion has been started because of anticipated increases in Western market demands.  
 Doan added that the expansion is planned for completion in June, 1962.  
 Production of high impact polystyrene was started by Dow at Torrance in June, 1958.

For a period of 11 months the club has been meeting at the Eucalypt Recreation Park in Hawthorne. The club will now hold its meeting at El Nido Park, 182nd St. and Kingsdale Ave., Torrance. Time of meeting, 7 to 10 p. m. on the second Thursday of each month.  
 Marina-ARC also announced establishment of classes in Morse code and radio theory. Both instructors are members of the club. Steve Leasko will teach code and Hardy Glenn will teach theory.

**Single Adults Invited to Social Dance**

Southwest Social Single Adults will hold their first dance Sat., Feb. 10, at 8:30 p.m. Music will be provided by Michael Wieners Orchestra and Helen McFarland will present a musical revue.  
 Torrance persons are invited to the dance, which will be held in the social hall

First code class was slated to start last Monday at 7 p. m. in Room 108, North High School. Leasko's class on Monday is for students having little or no knowledge of radio code. He will also hold an advance code class on Fridays at the same time and place.  
 Glenn will instruct a class in radio theory designed for the amateur radio license. Anyone wishing to attend this class is welcome.  
 of the Southwest B'nai Zion Temple, 7900 So. Western Ave., Los Angeles. Refreshments will be served. For reservations, telephone PL 8-5861.
