Evening's Events Highlighted By Coronation of 'Sweethearts'

North High School's seventh annual Sweetheart's Ball, sponsored by the Sax-on Band, will be held in the cafeteria Feb. 17, 8 to 11:30 p.m., according to Robert Jones, band director. Coronation of the couple voted "Sweetheart Couple" will highlight the evening's events. Each student will be entitled to vote for the

couple of his choice at the time they purchase a ticket. Tickets for the semi-formal affair will be a dollar and fifty cents per couple. **MUSIC** Couples will dance to the music of the North High Dance Band. Red and white hearts and Dan Cupids will be featured in the decorations which will help create the valentine atmosphere. Cookies and punch will be served to the guests during the dance. "The Sweetheart's Ball is a fund-raising dance to help finance the pins and letters presented to band members as awards of merit at the end of the year. "We hope this dance will be a big success," Katherine Mitchell, chairman stated.

VALENTINE'S DAY Valentine's Day is believed to come from the old Roman festival of Lupercalia, reports World Book Encyclopedia. The festival was held on February 15 in honor of Juno, Roman goddess of women and marriage, and Pan, god of nature. Use classified. DA 5-1515
