

**MOPPING UP** — Ravages of the three-day storm that caused untold damage in the Torrance area after flooding the southwestern part of the county with more than seven inches of rain, required some cleaning up this week. ### LA School District Will Bond Increase on June 5

First draft of a proposed bond issue for expansion of Los Angeles City School facilities to accommodate an expected pupil avalanche of 90,000 over present enrollments by 1965 has been presented to the City Board of Education through its building committee.

### Open Auditions Held by Hampton For Latest Play

The Hampton Players have announced that open auditions for "Summer of the Seventeenth Doll" by Ray Lawler, are to be held at 8 p.m., Wednesday and Thursday Feb. 21 and 22, at their theatre which is located at 100 Wall St., Redondo Beach.

"rock bottom" program by school system planners, totals \$128,800,000 in its present form. As it stands at present, this is the lowest school bond program since 1946.

The proposal—definitely not a recommendation—was presented Thursday, Feb. 8, at a special meeting of the three-member building committee. Sitting in on the presentation were the remaining members of the seven-member Board of Education. Making the presentation were Virgil Volla, associate superintendent in charge of schoolhouse planning and construction, and Superintendent of Schools Jack P. Crowther.

The presentation marks the first in a series of shake-down steps which will result in a final recommendation in March of the amount to be submitted for voters' approval on the June 5 ballot. The proposed program already has been under thorough study and overhaul by school staff personnel for several months.

**SURPRISE AWARDS** — Displaying their exclusive "500 club" medallions are Mmes. Bert Lynn and Walter West.
