**PTA Awards Honorary Life and Past President Honors at Meet**

A honorary life membership in the 223rd Street School PTA was presented to Mr. Robert Dossey during the group's recent founders' day meeting held in the school auditorium on the evening of Feb. 13.

He was cited for his work in behalf of the children of the area; his work both at Narbonne High School where he is a teacher of math and the boys' physical education department; and his summers spent devoting hours to boys. He is also active in the local PTA as men's participation chairman.

**PAST PRESIDENTS**

Past president honored at the gathering included: Mrs. David Goolsby, 1956-57; Mrs. Francis Anania, 1957-58; Mrs. James Gonderman, 1958-60; and Mrs. Richard Heitmeyer from 1960-61.

Mrs. Edward Grijalva, vice president introduced Mrs. Leo Petrosino, founders' day chairman and Mrs. Virgil Johnson, honorary life membership chairman who presented a warm program recalling the founding of the PTA organization 65 years ago.

The past life membership recipients were present and introduced to the local association. They were Mrs. David Goolsby in 1956; Mrs. Willetta Washington in 1957; Mr. Don Heath in 1958 and in 1959 two awards were given. They were to Mrs. Willis Albaugh and Mrs. Hilda Seyota and then in 1960 Mrs. Richard Heitmeyer was son honored.

**BUSINESS**

Mrs. Ralph Robertson, president of the association presided at the business portion of the meeting. The flag ceremony was by the Father and Son Y Indian Guides under the direction of Mr. William Wehrman. The three boys presenting the colors were Lance, Matthews, Bill Pike and Geoffrey Cesmat.

The entire tribe put on two skits for the audience. They were: Gene Wehrman, Mike McLay, Leonard Pott, Dwight Ueda, Paul Wehrman, Ricky Wilson, Bruce Cobb, Ricky Kinnan, Fred Parra, Randy Wade and also Lance, Bill and Geoffrey.

**NOMINATION**

The nomination of the nominating committee was held. Those elected to serve were: Mrs. John Bankard, Mrs. Hal Burgener, Mrs. Virgil Johnson and Mrs. Dwayne Willy and the two alternates were Mrs. Richard Heitmeyer and Mrs. Samuel Gebert.

Mrs. Clifford Bergon, registration chairman announced the winners of the attendance awards. They were: Mrs. Potter, A2, and for the upper grades, Mr. Atlas, A6.

Mrs. Robertson announced the kofte klutch held recently at Normandale Park was a big success despite the weather.

The Indian Guide fathers were host for the evening under the supervision of the men's participation chairman.

**ATTRACTIVE PICTURES**

Transparent vases and translucent glassware on window shelves make very attractive color pictures. Almost any exposure is sure to produce pleasing results, and fill-in flash can be used to lighten the shadows. Even though you make your picture indoors, you must use daylight-type film because of the window light. Use a large lens opening and shoot from a low point to prevent the background from being distracting.

**NOTE:**

**Torrance Grads Class of 1952 Issue an Appeal**

**Recreation Head And Reverend Receive Awards**

The Yukon Elementary School PTA presented two honorary life memberships at the school cafeteria, recently. The two people selected for this honor were Les Breitfelt and Rev. Cliff Tierney.

Mr. Breitfelt has been the McMaster Park recreation director for nine years. His love for children prompted him to get into recreation work. He has worked with the Boy Scouts; helped his wife with a Brownie Girl Scout troop; taught Sunday school at Christ the King Lutheran Church; and is a member of the YMCA.

He works each year on decorating the Torrance float entry for the Rose Parade. He was instrumental in helping organize the first mothers club, a group of volunteer workers to help with the events of the park.

**RECOGNITION**

Under his guidance throughout the years, the group has gained recognition by receiving a National Recreation Award. Breitfelt has played an important part in securing many extra donations of play equipment for the park. He is always available to the youth of the area if it be for advice or service. He is a member of the North Torrance Civic Association, California Parks and Recreation Society, Torrance Rod and Gun Club.

Betsy Mewborn played the guitar as Winkie Gilbert, Rosemary McIlraith, Yvonne Boggio, Diane Lehto, Vikki King, Sharon Wood, and Sandy Charles presented a skit explaining the Girls' League program in the school. Paula Harter entertained with a modern dance.

Others attending the social were Kathy Reed, junior class representative; Shirley Nakata, senior class representative Sandi Cross, freshman class representative, Anita Terry sophomore class representative. **SNOW SCENES**

When using color film your camera this winter, try to avoid overexposing sunlight snow scenes. Except when the snow is covered with a glistening crust, such pictures need an exposure of about 1/50 second at f/8. Backlighting snow scenes require an exposure of 1/50 second with a lens opening of f/11. A kodak Skylight filter may be used to relieve the excessive bluishness found in shadow areas.
