

## Amateur Radio Club to Hold Election Tomorrow

Torrance residents will be pleased to learn that the Marina Amateur Radio Club will hold its second annual election of officers at their regularly scheduled meeting tomorrow evening at 7:30 p.m. Marina ARC returned to Torrance early this year after arrangements were made with the City of Torrance Parks Department for use of the facilities of El Nido Park, 182nd and Kingsdale Ave.

## Narbonne Avenue Church Sponsors Mission School

The Narbonne Avenue Baptist Church of Lomita is completing a successful School of Missions. A different missionary has spoken each night. The Lomita church is one of 18 churches participating in this event. There were 18 missionaries from all parts of the world gathered here for this mission emphasis. Last Sunday at the 8:30 and 10:50 a.m. services, the pastor, Robert A. Wells, spoke on the subject "Is Our Nation Christian?" "Our church is one of over 22,000 Southern Baptist churches. We set out to establish 30,000 new churches, missions and preaching stations by 1964. We must reach this goal if we are to keep pace with the population growth of our nation," Mr. Wells stated. At the evening service the message was another in the series of messages especially prepared for the youth. "Are You Fit to Be Tied?" "More thinking needs to be done before the marriage ceremony, and if there is, there will be less controversy after it is over," the pastor stated.

## Temple Menorah Begins Adult Classes Monday

Adult education courses at Temple Menorah began last Monday evening at 8:15 p.m. and will continue each Monday thereafter throughout the month of March.

Participating temples in this program known as "Adventures in Jewish Learning" are Temple Menorah, Redondo Beach, Temple Beth Ohr, Inglewood and Temple Israel, Westchester.

Courses offered are Reform Judaism, The Wisdom Literature, The Organization Jew, The Heart of Our People; and Beginning Hebrew.

Each course offers one hour of class followed by a second hour when all classes meet together in the community hall to hear a guest lecturer. Following the lecture, there will be an informal social hour when refreshments will be served.

Torrance persons who were enrolled in the first semester are automatically eligible for this second semester. Rabbi Henri E. Front states that persons desiring to enroll can do so on Monday, March 5, classes begin.

code are established and are now held three nights weekly in North Torrance High School.

**TEAMS**  
Family participation is evident by several father-son and husband-wife teams preparing to obtain their amateur radio licenses. Some twenty new amateurs are proudly displaying their "tickets" as a result of such services.

Of the major events, the national ARRL field day weekend is the high point of club interest. Marina's participation last summer, from a vantage point on the Palos Verdes peninsula, placed the club among the countries higher scores in its class of entry.

During the year Marina has hosted various speakers of prominence and have a fine calendar scheduled for exhibition in the near future.

"Membership in Marina Amateur Radio Club is currently available to valid licenses. Persons interested are most welcome at our meetings and are encouraged to visit at any time," states Bill Gray, W6AWY, outgoing club president.

**IMPROVEMENT**  
Manager Bill Rigney of the Los Angeles Angels says that his club can "improve itself by 10-12 games, if we
