

Mothers of Twins Hold Fashion Show

The most important philanthropic event of the year is being planned by the South Bay Mothers of Twins Club. The annual fashion show will be staged this year for the Harbor Area Retarded Children's Foundation with all proceeds going to this worthy cause.

Mrs. Robert Jackson of Rolling Hills, general chairman, states that all plans are being finalized for "A Spring Duet in Fashion" which will be held at the Hacienda Hotel in San Pedro at 7 p.m. on March 19. Dinner will be served to 300 guests after which an exciting evening of the latest styles and many door prizes will be presented. The grand award of the evening will be a weekend trip for two with air transportation provided to the Thunderbird Hotel in Las Vegas.

TWO PARTS
The fashion show will be divided into two parts. Ten sets of twins and one set of triplets ranging in age from two to eleven years

will present the newest spring wardrobes for the younger generation. These ensembles are provided by the Carousel Children's Shop in San Pedro. Eight mothers of twins will model spring clothing from Helen Morgan's Dress Shop, Del Amo Center, Torrance.

All members are anticipating the sight of the charming decorations being planned by Mrs. Glenn Smith of Torrance. A green and white theme has been chosen and is depicted by silhouettes of kissing children and musical notes surrounded by lillies of the valley.

Club members from Torrance who are serving as committee chairmen are: Mrs. Harold Barker, ways and means; Mrs. Ellis P. Myer, publicity; Mrs. Eugene Douglass, programs and Mrs. James Cantrell, backstage help.

Guests from Torrance planning to attend are Mrs. Eric Borner, Mrs. Tony Santaella, Mrs. Harold French, Mrs. Charles Fowler, Mrs. James Marshall and Mrs. Frank Haggerty.

TWIN AIDS TWIN as six and a half year-old Craig Dunn helps his sister, Cheryl, with her sweater. The Torrance twins are getting ready for the annual "Mother of Twins" Club fashion show, to be held March 19 at the Hacienda Hotel. Both twins and their mothers will model and all proceeds will be donated to the Harbor Area Retarded Children's Foundation in San Pedro.

Unit Meeting to Start Tuesday

Members of the newly-organized Provisional League of Women Voters of Torrance will hold their first unit meetings next week. Study groups will take place Tuesday evening at 7:45 at the home of Mrs. C. R. Berwanger, 5617 Andrus Ave. and Wednesday at 9:45 a.m. at the home of Mrs. S. R. Saunders, 5128 Merrill St.

Topic for discussion will be the relationship of state government to metropolitan government. A bird's eye view of the year-long state league study in this field will be presented under the chairmanship of Mrs. Donald Brink.

In addition to the study program, an orientation for new members will be featured, according to Mrs. Lee Bower, program chairman. Purpose of the orientation is to familiarize new members with the function of unit meetings and the relationship of the individual member with the total league role.

Future unit meeting plans call for a "Know Your Town" study to be initiated in April in which members will investigate all aspects of local government.

Persons interested in obtaining additional information regarding unit meetings are asked to contact Mrs. Robert Christensen, FR 5-8270.
