The third in a series of preliminary events to select the final participants for the annual "Battle of the Bands," will take place Saturday, April 7 at 8 p.m., in the Compton College Auditorium, 1111 E. Artesia, Compton.

Local Woman Directs March For UCP Funds

Mrs. William A. Huber, 5408 Rockview, Torrance, has been appointed community chairman for the 1962 fund drive of United Cerebral Palsy, according to Harrison A. Price, president of the Los Angeles County affiliate.

Mrs. Huber will direct a march for funds next May. Assisting her as coin collector chairman will be Mike Kasino of 200-44th St., Manhattan Beach. Both have volunteered their time to UCP fund drives in the past.

"We intend to point up the importance of volunteer workers to go out and ask for gifts," Mrs. Huber was reported as saying. "A survey has shown that people are sympathetic toward the cerebral palsied and want to help."

Mrs. Huber was selected for her record of work with church and youth groups, according to Price.

Persons wishing to enlist for the May march are advised to call Mrs. Huber at 5-2947.

The 50 cent admission charge to the preliminaries will provide a full evening of entertainment as dance bands, combos, vocalists and other artists vie for honors.

The preliminaries will lead to the third annual "Battle of the Bands," sponsored by the Los Angeles County Department of Parks and Recreation to be presented in the Hollywood Bowl. More than 1,000 teenagers, between 13 and 20 years of age, take part in the competitions.

"Battle of the Bands" is produced to encourage musical interest among talented (non-professional) youths and provides an opportunity for their performance to be seen and heard throughout Los Angeles County.

Previous contests have been judged by Johnny Green, Andre Previn, Stan Kenton, Pete Rugolo and Henry Mancini.

"I am quite well aware that anyone who enters the political arena subjects himself at time to the most vicious and unprincipled attacks, smears, mud-slinging and vituperation. But if for this reason experienced and qualified people refuse to run for office, they will leave the positions in the public service to the maneuverings of petty men; second-raters, whose primary interest is personal gain, self-aggrandisement and power to destroy."
