### Torrance Receives 'Thank You'

In a word, Mrs. James R. Friend, residential chairman, expressed the gratitude of the American Cancer Society to local people today, even as final work was being done in the community residential crusade against cancer.

While an accurate accounting was not available at press time, experienced volunteers in the annual crusade were impressed with the generosity of local residents during the door-to-door drive last weekend.

Claire Friend urged anyone in the area who was not contacted during the residential drive on Monday evening, and who wishes to contribute to mail in their contributions to the District American Cancer Society office, 804 E. Manchester Blvd., Inglewood.

All funds collected will be used to support the continuing battle being waged by the American Cancer Society to stamp out this dread disease.

The Cancer Society program is a three-pronged attack, supporting medical and scientific research, public and professional education, and a broad scale service program for cancer patients.
