Free Fiat to Be Awarded to Lucky Auto Purchaser

During the next few weeks, some lucky buyer of a Fiat will have his payment refunded in full, and the car will be his for free, regardless of the model selected. The Fiat Motor Company, Inc., importers of the Italian automobiles, have announced that the 100,000th Fiat to be sold in the United States will be a gift to the purchaser.

At the current rate of sales, Fiat anticipates that this 100,000th car will be bought sometime between now and May 1. Fiat salesmen all over the country will submit daily reports so that the winner can be accurately designated.

One of the five best-selling imports in the American market since 1957, Fiat now offers four different economy models here: the popular two-door 600-D Sedan; the four-door 1100 Export and Special Sedans; and the sporty 1200 Spyder.

The local Fiat dealer is Newcastle Sports Car Centre Ltd., 700 Pacific Coast Hwy., Hermosa Beach, Calif.

Over One Hundred South High School Students Achieve Excellent Rating

One hundred and five South High School students have achieved excellent citizenship for the fall semester, according to Mr. Carl Benson, assistant principal. Individual students were nominated for excellent citizenship by one or more of their teachers and approved by the entire faculty. Emphasis must be given to the fact that not all students who received all "E's" on their report card had excellent citizenship.

The Freshman class had the highest percent of students on the excellent citizenship roll. The Freshmen had 39 per cent, the Sophomore class 31 per cent, and the Senior class had 12 per cent of the students on the list.
