

### Councilman Lauds Establishment of New State College

Establishment of a four-year college in this area was hailed as a great boost for the Southwest section of Los Angeles County yesterday by Nickolas O. Drale, Torrance City Councilman and candidate for the Democratic nomination as Assemblyman from the 67th District.

"It has taken four years to bring the college from a dream to the drawing boards," Drale told backers at a meeting in Gardena.

Drale introduced the idea in the spring of 1958, and was instrumental in the formation of a local committee to press for establishment of a four-year college to serve the fast-growing Gardena, Torrance, South Bay areas.

Assemblyman Charles Chapel of the 46th District got behind Drale's campaign and the 1961 legislature appropriated \$5 million to acquire a site in the area for the state's 17th four-year college.

"State officials are now seeking a site for the college. We should learn soon where it is to be located," Drale said.

### McDonald's Adds 52 New Units in 46 Communities

A record-breaking total of 42 new units in the McDonald's chain of hamburger restaurants are currently under construction in 46 U.S. cities, announced Ray A. Kroc, chairman of the board of the McDonald's Corporation.

They represent a total investment of \$6 1/2 million.

The McDonald's chain now numbers 365 units in 40 states and expects to add 110 more before the end of this year. McDonald's has already opened 36 new units in 1962.

Launched in 1955, the McDonald's chain has sold more than 600 million 15-cent hamburgers.

McDonald's has a unit in Torrance at 17305 Crenshaw.

### Pitchess Named Patriotic Good Turn Day Leader

The Los Angeles Council of the Boy Scouts of America appointed Sheriff Peter Pitchess, as chairman of "Patriotic Good Turn Day," which was observed on May 26, 1962.

On the date, Boy Scouts throughout the Los Angeles area knocked on every door, urging homeowners and businessmen to fly the Stars and Stripes on every patriotic holiday, beginning May 30, Memorial Day.

On accepting the appointment as chairman, Sheriff Pitchess stated, "I am honored to have been asked to participate in this most worthwhile campaign. I strongly urge everyone to back this program during the remainder of the year, and every year. I hope to see a veritable sea of Red, white and Blue across the entire County of Los Angeles."

#### SAFE DISTANCE

Since it takes time and distance in which to stop, a motorist always should maintain a safe distance between his car and the one ahead, says the Automobile Club of Southern California.
