Lions, Rotary Schedule Donkey Baseball Match

A long standing controversy between the Downtown Torrance Lions Club and the Torrance Rotary Club as to which has the greatest number of athletes will be settled on Saturday, June 16, when the two meet for a donkey baseball game at 1 p.m. on Mobil Field, 4200 W. 190th St.

Proceeds from ticket sales will be donated to the YMCA building fund. Concession revenues will go to the Torrance Central Little League. Chairmen Ed Gregory, Buck Tatherton and Jack Pellerin announced that the general public is welcome. Price of admission is one dollar for adults and children 12 and under fifty cents.

Tickets may be purchased from any Torrance Rotarian or Lion. They may also be purchased from the Torrance office of the Southern California Gas Co., or Buck Otherton at his Security First National Bank, Cravens and El Prado branch. The YMCA and Central Little League are also assisting in ticket sales.

A fun packed afternoon is assured when Lion President Bill King stated that the gids will enjoy trying to distinguish the donkeys from the Rotarians. Rotarian President elect, Len Ensminger countered by stating he is confident that his club will win, even though the Lions will have an edge by having their common ancestors (the donkeys) also participating in the event.

The donkeys have denied any similarity or relationship with the members of either club.
